~~Fairview Park or~~ "Any" Access, Bldg, Fire & Housing Board of Appeal

City of Costa Mesa
77 Fair Drive, Costa Mesa, CA 92626

1 Indicate why you wish to serve on this Committee/Commission. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee/Commission. A resume (optional) may be attached. (Note: All information contained on the resume is public information, will be distributed to the public and posted on the City's website).

I am a fortyfive-year-plus resident of the City of Costa Mesa. I have attended OCC, shop at the local businesses and routinely utilize many of the parks, schools, libraries and other community resources. I am very concerned about the future utilization of city land going forward. I am also concerned about the surrounding area projects that have impacts on the city.

I have wide ranging experience in many areas that enables me to have a very well rounded, objective view of issues. I am a UCI graduate after my two years at OCC. I sat on the OCERS board for seven years which gave me experience in board rules of order, institutional investing, budgeting, auditing, human resources, IT contract issues and more. My other experience includes Eagle scout, crime analysis/forensics, leadership/supervision, outdoor enthusiast, reading, gardening, computer/internet and I try to keep on local and national current events in politics. My talents included strategic thinking and the ability to quickly identify the core issue of a problem.

Please consider me for the Fairview Park committee or any other committee/commission. I would love to participate and would be a valuable asset.

Thanks for your consideration.

At Orange Coast College I chaired many events; however, one that really impacted my life was chairing Special Olympics, an event for kids with special needs. As chair I designated tasks, created schedules, provided support and learning opportunities to both my committee and the kids who came to compete. My goal was to construct a successful event where the volunteers came to understand different people's needs, to learn that everyone counts. To see the smiles from the 350 participants proved to me that the event was a success and made me realize that when one impacts someone's life positively, brings happiness and compassion—skills that are rare but essential in a leader. Seeing these physically challenged kids give their best inspired me to become more involved in student government—so I ran for Student Senator. I had success in student government at OCC. I was elected Senator and appointed as a District Student Council representative. In which I had the pleasure to work on legislation, resolutions, and represented more than 30,000 students. In the positions that I have held, it has tested my character and inspired in me the need to remain open to diversity and lead those around me. And the lessons of these experiences have strengthened my leadership skills due to the understanding of different cultures and human personalities. I also decided to give back to my community by becoming a tutor at Save Our Youth. All of these experiences—chairing the Special Olympics committee, the many student government experiences I had, and tutoring at Save Our Youth—have taught me that leadership is not about being dominant, but being able to walk beside those who struggle.

Now I am a college student at University of California, Irvine who is expanding his education, knowledge, and opportunities to succeed in life. I realize now that I am responsible for people around me and every choice I make can affect others. My daily walk through the city of Costa Mesa has been a reminder of being a successful community leader, focusing on servitude to the people, community, and to myself. If chosen, I will challenge myself to give the best of me and push to my limits in the Access, Building, Fire & Housing Board of Appeal.

March 2, 2015

Mr. Khanh Nguyen
City of Costa Mesa
P.O. Box 1200
Costa Mesa, CA 92628-1200

Dear Khanh,

I am interested in staying on for another term on the Building, Housing and Fire appeals board. About 5 years ago I was voted by my peers on the committee to be the chairperson. I started as an alternate on this committee about 10 years ago, so you can see I have a very long term commitment to this committee. I have lived in the City of Costa Mesa since 1976. I am very active in city affairs, I was a past member of the 3R committee, I lobbied for more building code enforcement officers in the past, I was the person who lobbied for a grant for the city to purchase graffiti removal equipment. I currently serve on the board directors for the Costa Mesa Chamber of Commerce (Immediate Past President) and I sit on the government affairs board committee for the Newport Beach/ Costa Mesa Association of Realtors. I own a real estate firm here in town. I was the past President of the Mesa North Community Association and founding member of the association that served 750 homes in North Costa Mesa, I also served on the Mesa North crime protection committee, I also served as Vice- President of Mesa Pride.

I think my knowledge of real estate, my negotiation abilities, as well as my experience working for a construction firm in college make me a valuable asset to the committee. I look forward to being of service to the community of Costa Mesa.

Sincerely,

Larry Weichman
