Dear Council Members:

Thank you for considering our resident only parking on Babb Street.

This would help to relieve the congested situation on our street of all the non-resident parking. It is not unusual to have every available parking space taken.

It is sometimes problematic in backing my car out of my driveway when a van and SUV block my vision as they are parked on each side of my driveway.

We would appreciate the recommendation of the Transportation Services Division for this restriction.

Sincerely

Stephen E. Sakaske
