

# PUBLIC MEETING NOTICE

The City of Costa Mesa is holding its first community meeting for the Donald Dungan Library and Neighborhood Community Center Renovation Feasibility Study. The purpose of this community meeting is to introduce the purpose, scope and schedule for the Pre-Design/Feasibility Study Phase of the project; identify the program of stakeholder outreach; provide an overview of the existing project site and facilities; identify preliminary project goals, constraints and opportunities; and solicit input and comment from community members.

We value your input and hope you can join us.
