PUBLIC MEETING NOTICE

The purpose of the second of three community meetings for the Donald Dungan Library and Neighborhood Community Center (NCC) Renovation Feasibility Study is to:

- Summarize the facility assessment phase of the Feasibility Study, identifying the challenges, constraints and opportunities associated with renovation of the NCC, the Dungan Library and improvements to Lions Park;
- Review the project goals and draft building program for an expanded library and improved meeting/event space at Lion's Park;
- Review alternate proposals for accomplishing the identified goals of expanded library service and improved meeting/event space at Lion's Park; and
- Solicit input and comment from community members.

The two hour meeting will include a presentation from the project consultant team to be followed by questions and comments from the community. The meeting will wrap up with a summary of next steps for the Pre-Design/Feasibility Study.
