***To submit form via email, please save application, fill in, and send to cityclerk@costamesaca.gov.

City of Costa Mesa
Application for Committee Appointment

All information on this page only, is considered public information and will be released to the public, including being posted on the City's website.

Name: Rebecca Trahan

Indicate the name of the Committee you are interested in serving on:
Planning, Finance, Parks And Recreation, Housing, Bikeway and Walkability

City of Costa Mesa
77 Fair Drive, Costa Mesa, CA 92626

1. Indicate why you wish to serve on this Committee. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee. A resume (optional) may be attached.
(Note: All information contained on the resume is public information, will be distributed to the public and posted on the City's website).

I would like to serve on any of the above committees because I want to affect change in Costa Mesa and help make Costa Mesa a better place in which to live and do business. While my top choice is the planning commission/committee and/or the finance committee/commission, I am open to being on another committee(s) that you may best fit my experience. I want to serve wherever I can most benefit the residents of Costa Mesa. While I have worked in the private sector since 2009 (internet and finance--am currently working for CalFirst National Bank), prior to that I spent 15 years serving my local, state, and national community in various capacities. To be more specific, I worked in political offices and on campaigns in Texas, New Hampshire, Washington, D.C., and California.

While I currently work for CalFirst National Bank in Irvine, California, I am also a public figure in the running and cycling community, and an active member and board member of USA Track And Field Southern California (nonprofit organization). Though I am currently an elite athlete representative, for the past four years I have served as the open/long distance running chairperson and Road Mile event director, and was the first person to approve having the 2016 marathon Olympic Trials in Los Angeles, California. I am also a board member for International Orphan Care, a nonprofit to help orphans in Afghanistan, and am a shareholder in an internationally profitable corporation.

Below is a link to my LinkedIn profile where you can see my experience and some of my recommendations:

If you need me to send you a paper resume let me know. I would be happy to do so. Among the businesses and representatives I have worked for are: Congressman Chris Cox, Congressman Ernest Istook, Bill Simon, Rob Mosbacher, Bob Smith for Senate, Frank Feldhaus (though I am a strong supporter of Curt Pringle and would support him if he were to run again), Big League Dreams.

Please let me know the next steps for consideration so we can proceed on the same timetables and I do not follow up too much/at the wrong time--I know you are busy.

Best regards,
Rebecca Trahan
