Section 2-238. – Civic Openness in the Meet and Confer Process.

- (a) Government Code section 3505, as it currently exists, mandates that changes in wages, hours and other terms and conditions of employment be preceded by participation of representatives from both the recognized employee organization and the city in good faith "meet and confer." Government Code section 54957.6 authorizes the city council to meet in closed session with its designated representatives for the purpose of reviewing its meet and confer position and instructing its designated representatives as to how to participate in the meet and

confer process. The city council shall report out from such closed session the facts, including their significance and impacts, relating to any and all prior offers, counteroffers, and meet and confer-related bargaining positions made by either the city and representatives of any employee organization, which were communicated to the city council during the closed session and are no longer being considered. City council representatives shall have a duty to advise the city council during any such closed session of offers, counteroffers, information, and/or statements of position discussed by employee organization and city representatives participating in the meet and confer process since the last such closed session. This section shall not mandate publication of city council-directed future proposals and/or the analytical thought process utilized by the city council in addressing issues subject to the meet and confer process.

- (b) Each city council member shall disclose both publicly and during closed sessions, the identity of any and all employee association representatives with whom the city council member has had any verbal, written, electronic or other communication(s) regarding a subject matter of a pending meet and confer process.

Section 2-239. - Adoption of Memorandum of Understanding.

Excepting the resolution of any meet and confer impasse, the rendering of a final city council determination regarding adoption of a memorandum of understanding shall only be undertaken after the matter has been heard at a minimum of two (2) city council meetings wherein the public has had the opportunity to review and comment on the matter. Not less than seven (7) days prior to the first city council meeting where the matter shall be heard, the city shall post on its website those materials explaining the basis for the memorandum of understanding under consideration for adoption.

Section 3. Inconsistencies. Any provision of the Costa Mesa Municipal Code or appendices thereto inconsistent with the provisions of this Ordinance, to the extent of such inconsistencies and or further, is hereby repealed or modified to the extent necessary to affect the provisions of this Ordinance.

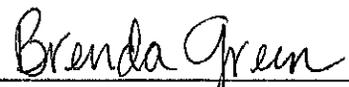

Section 4. Severability. If any provision or clause of this Ordinance or the application thereof to any person or circumstances is held to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such invalidity shall not affect other provisions or clauses or applications of this Ordinance which can be implemented without the invalid provision, clause or application; and to this end, the provisions of this Ordinance are declared to be severable.

Section 5. Publication. This Ordinance shall take effect and be in full force thirty (30) days from and after the passage thereof, and prior to the expiration of fifteen (15) days from its passage shall be published once in the ORANGE COAST DAILY PILOT, a newspaper of general circulation, printed and published in the City of Costa Mesa or, in the alternative, the City Clerk may cause to be published a summary of this Ordinance and a certified copy of the text of this Ordinance shall be posted in the office of the City Clerk five (5) days prior to the date of adoption of this Ordinance, and within fifteen (15) days after adoption, the City Clerk shall cause to be published the aforementioned summary and shall post in the office of the City Clerk a certified copy of this Ordinance together with the names and members of the City Council voting for and against the same.
