Decision upon which appeal or rehearing is requested: (Give number of rezone, zone exception, ordinance, etc., if applicable, and the date of the decision, if known.) Community Development Block Grant Public Service Grant Policies and Procedures Action from the City Council Meeting of January 5, 2004.

Decision by: City Council

Reason(s) for requesting appeal or rehearing:

1) I do not believe that the agenda properly noticed this action. The recommended action refers only to Council providing staff direction; it did not mention that the staff was recommending reduction of the homeless category from 40 to 25%;

2) It is my understanding that the staff report was not available on the WEB site;

3) I believe the Council was misled in believing that this action was recommended by the 3R Committee, which, according to members did not take a vote; \*

\* Council Member Cowan was unavailable to complete the application form.

Consequently, the information above was extracted from her communication to the City Manager requesting the rehearing.
