Proposal: City of Costa Mesa

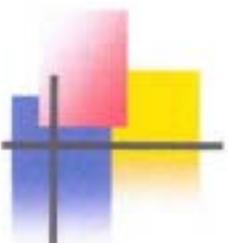

Proposal: City of Costa Mesa

- Every day Estancia Park (Balearic Park) to be available from dawn to 8:30 AM to the neighborhood of Mesa Verde West and their dogs.
- If fields are unavailable as a result of scheduled activities (e.g. soccer) this will not be allowed.

Proposal: City of Costa Mesa

- We have set up a Yahoo!
E-group called:

CostaMesaVerdedogs, where we share:

- photographs
- news
- community events
- e-mail

Proposal: City of Costa Mesa

We are requesting this for the following reasons:

- Not comfortable with Dog Park
 - Dirty and no grass
 - Dogs not trained and from other areas outside of community
 - Dogs found to have aggressive behaviors
- Close to residence and can walk to the park
- We all have met friends within our area and has improved and promoted community interaction

Proposal: City of Costa Mesa

We feel confident with this proposal as the following is true:

- All dogs are healthy, have current shots and licenses
- We clean up after our dogs as well as other pets
- We clean up trash left from sporting events
- These dogs are well trained and friendly
- Dogs play well together
- Some have received Canine Good Citizen certificate

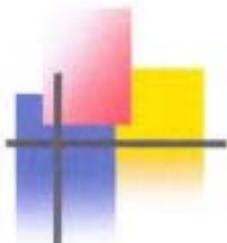

Proposal: City of Costa Mesa

- Creates a neighborhood watch group
- Clean environment - participants actively clean up the area after soccer games and other activities
