Prices subject to change without notice. Installation materials and labor are for both sites [office & maintenance] \$2000 allowance has been made for City provided trenching work & resurface. Price assumes client has adequate electrical service [240v, 1ph, 40amp x 2] and that gas supply line is accessible above grade at both buildings [no allowance for gas trench & line to street]. Price includes CAD drawings, does not include permits, bonds, engineering stamps etc. Thanks for the opportunity to quote.
