**Subject: City Hall Meeting Rooms**

Dear Allan:

Is the matter of using City Hall meeting rooms still on the Council Agenda for 10-18?

We would like to know if other cities (Newport Beach, Fountain Valley, Huntington Beach and/or Irvine) enable citizens groups to use City Hall meeting rooms in the evenings.

Is it possible at this time to communicate with the individual staffers who are working on the report to see if any questions can be discussed, etc.?

Thanks,

Dave Stiller
