RECOMMENDATION:

1. Receive and file the second quarter report for the FY 2003-04 Community Objectives.

BACKGROUND:

The Community Objectives were first established in Fiscal Year 1995-96. The Objectives were intended to provide staff with clear direction regarding Council's priorities. They also serve as well-defined work plans by which the community can measure the City's performance and progress. Staff updates the City Council on the status of each Objective on a quarterly basis.

ANALYSIS:

This reports reflects the activities related to each Objective for the period covering October 1, 2003 to December 31, 2003. As Community Objectives are completed, they are moved from the reporting list to an on-going/completed list. The on-going/completed list signifies that the Objective has been incorporated into baseline service delivery levels as appropriate.

ALTERNATIVES CONSIDERED:

Based on Council's direction, the update on the Community Objectives shall be submitted on a quarterly basis. Therefore, no other alternatives were considered.
