As a business owner in the City of Costa Mesa, I feel that my background is well suited for this Board. In addition, I am interested in the growth of Costa Mesa, especially as governed by the existing rules and regulations set forth by both the City Council, as well as the various governmental entities that have jurisdiction over these decisions. With my background and experience I can aid the Board to make responsible decisions based on the facts presented.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

I am currently a commercial property owner in the City of Costa Mesa. Out of this property location I operate businesses related to the construction industry.

I am licensed by the State of California (Lic. # 595071) as a General Contractor (B1), fencing construction (C13), and masonry construction (C29). I have been a licensed contractor since 1990. Although my emphasis has been on residential construction, I have done several commercial projects.

From 1978 to 1998, I was a member of the Los Angeles County Sheriff's Department. During my employment with L. A. County, I had various assignments from custody, patrol, academy instructor and finishing my career as a supervisor in the custody division.

Indicate the name of the Committee/Board you are interested in serving on:

Access, Building, Housing and Fire Code Board of Appeals

City of Costa Mesa
77 Fair Drive, Costa Mesa, CA 92626

1. Indicate why you wish to serve on this Committee/Board:

I would like to offer my many years of construction experience to the community in which I live and respect. I have served on committee's and the committee can only be effective if it has knowledgeable members which serve it. I have the time to volunteer so I figured this would be a great forum for me to participate in. I am interested in assisting city officials who are so overwhelmed with the many building tasks that take place. I understand the processes that take place behind the scenes of the building and fire departments and I enjoy helping solve related problems that may arise in this field.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

I currently operate my own Construction Management Company. I have several years of construction experience which you can see by reviewing my attached resume. I am also serving as Vice President of the Newport Crest Homeowners Association in which I participate in the many committee's we have. I am the liason to the construction committee. I have the experience in dealing with the building codes and officials. I possess a current B1 General Contracting License and C-10 Electrical Contracting License. Please review my attached resume for more info.

Thank you for your time and consideration.

Sincerely,

Chris Bibeau

The Costa Mesa City Board I am interested in is as a handicapped member of the Building and Code Enforcement Review Board.

1. I wish to serve on this board as I have now lived in Costa Mesa over five years and while my disability keeps me from being as active as I would like, I would like to serve my city in some manner. I feel it is important that people stay aware of what is going on in their city and, the process of government has long been an interest of mine.
2. I believe I have numerous qualifications that would benefit this board.

I was of the staff of Assemblywoman and then Senator Marian Bergeson .
As a field rep I worked with seniors, health care issues, and individual problems of the constituents in the district. Later I was appointed by Supervisor Tom Wilson to the Orange County Senior Citizens Advisory Board and served for three years advocating for seniors, reviewing pending legislation, and evaluating contracts to a number of agencies that had contracts with the Area Agency on Aging at the County.

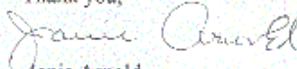

I believe I am able to communicate well, have a clear sense of what is fair, and I enjoy meeting new people.

Education: B.S Syracuse University 1955, Graduate work Cornell University

I have four children who live in the area and I am blessed with three grandchildren.

I will furnish letters of recommendation if you wish. I would like to serve on this Board.

Thank you,

To: City Council Members: Hon. Monahan, Monsoon, Dixon, Foley, Bever

I have requested that I be considered as a Board Member, and that meeting be convened by Mr. Bort Morgan, Staff liaison for the Handicap Access, Uniform Building, Fire Code Appeals Board. This was on Dec 10, 2004. Since then, I haven't received any letter stating my term expired or that I was released by the City Council from my current (unexpired) term as Chairman of the aforementioned Board.

If it is approved, I would like to continue with the Board. If it is not, then please send me a letter stating that I am not on the Board. Also, I would like to be considered for the Planning Commission as my application is already on file. I am ready, willing and able to serve the Costa Mesa Community in any capacity.

Larry Henning CBO.
