Child Care & Youth Services Committee

City of Costa Mesa  
77 Fair Drive, Costa Mesa, CA 92626

1. Indicate why you wish to serve on this Committee/Board:

My desire to serve my community stems from years of volunteer involvement in Newport Beach schools, support for after school programs as well as city run community service activities.

I believe that affordable, accessible and safe child care is an integral part of a growing, thriving city such as Costa Mesa. It is part of the responsibility of the city to provide quality services and programs to our young people. Our youth are our most valuable resource, they hold the key to the future well being of this city!

I see the role of the Child Care and Youth Services Committee as a very important one to be able to participate in the day to day concerns facing children and the families of Costa Mesa.

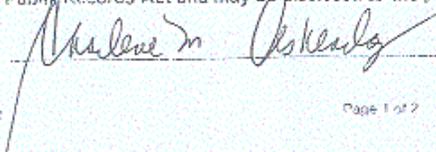

I understand that this committee meets monthly and I have the willingness to make time commitments to this committee a priority. Additionally, I realize that this committee affords me the opportunity to participate in and represent the city in community awareness and networking opportunities to further the important goals and objectives of the Child Care and Youth Services Committee.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

As my resume (attached) indicates, I have nearly 20 years experience in working on committees and boards requiring leadership qualifications. For more than four years I have worked for a teen crisis shelter and have become very familiar with services, agencies and opportunities in the greater community that serve the needs of our youth. As a mother of two sons, a wife of a Newport Mesa Unified School District School teacher and a community activist I believe I bring a wealth of knowledge and a desire to bring the best to our community.

1. Indicate why you wish to serve on this Committee/Board:

I am a mother of three young children. I feel that I have a vested interest and strong experience which will enable me to be an asset to the Child Care and Youth Services committee. My husband and I own a home in Costa Mesa and enjoy the character and richness of the community. We want to give back to the community and lend our time and efforts to making Costa Mesa the best it can be. We want to make sure that the community has the safety nets and structure in place to support and protect the youth. I'm excited to get more involved in the community.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

I am a member of the MOMs club of Costa Mesa. I am very in tune with regards to the concerns and worries of Costa Mesa parents. As a working mother I very much understand the struggles of the working parent and the support that the community must provide in order to create a safe and nurturing environment for our youth. I have been on many committees in the past and understand that everyone on a committee needs to be able to roll up their sleeves, participate and excite others to participate. I excel at this and look forward to joining the Child Care and Youth Services Committee of Costa Mesa.

I believe I would be useful as a committee member as I have used the Fairview Park over the last 17 years I have lived in Costa Mesa. From walks with my children to the use of the bicycle trails, enjoying the outdoor theatre, concerts in the park, etc. As a nature lover, I have enjoyed the presence of the diverse plants, walkways, etc. the park provides. I feel it is important to donate time to the items we find valuable, and am interested in preserving the park for our's, and our children's future use. I am committed to taking the time to assist in making this happen.

REDEVELOPMENT ; RESIDENTIAL RENTALS / HISTORICAL PRESERVATION

City of Costa Mesa

1. Indicate why you wish to serve on this Committee/Board:

I have lived in Costa Mesa for my entire life, minus 4 years at UC Santa Barbara and 2 years working in the Bay Area. Ever since I can remember, the built environment has fascinated me. My map reading (and map CREATION) at the breakfast table as a youth translated into my desire to obtain a degree in Urban Planning many years later. I have always been proud to call myself a Costa Mesa resident, as years ago I considered Costa Mesa "Orange County's downtown". I recognized that Costa Mesa was near the center of the County, and offered its residents a wide array of services: shopping, the arts, parks, world-class restaurants, etc. I wish to serve on this committee because I am concerned about our City; it's intelligent development, it's redevelopment, it's progress, and the public's perception of it.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

While I have attached my résumé for your review, I'd like to highlight the fact that I have worked in the both the public and private sector of real estate development for nearly 10 years, in increasingly responsible roles. I have presented projects to Design Review Boards, Planning Commissions and City Councils. I have written public documents, and have carefully followed their guidelines for my clients.

Moreover, I am fully committed to "giving back" to my community, as I have spent most of my life here, and plan on raising a family here.

I keep on top of local issues; City-related, neighboring cities, County issues. I feel that keeping your finger on the pulse of the place you call home is of utmost importance. I fully subscribe to the mantra "Think Globally, Act Locally".

I appreciate this opportunity to serve the City of Costa Mesa.

4 1/2 years ago I moved from the inland empire to Costa Mesa and I felt at home instantly. As I am now 31 years old, I feel it is important to be involved in your community. I have always had a deep interest in history, and now that I have deep roots here in Costa Mesa, it seems like a natural fit for me to be on the committee preserving the history of the city that I will be starting and raising a family in. I feel I can best serve my community doing something that I

B. I HAVE UNPARALLELED SOCIAL AND PEOPLE SKILLS.

C. I HAVE AN EXTREMELY UPBEAT AND ENTHUSIASTIC PERSONALITY COUPLED WITH PROFESSIONALISM AND INTELLECT. OH, AND I REALLY, REALLY LOVE HISTORY!
