**Mr. Allan R. Mansoor
Mayor
City of Costa Mesa
77 Fair Drive
Costa Mesa, CA 92628**

Dear Mayor Mansoor:

Attached is my application to volunteer to be a City Council Designated Director to the Costa Mesa Senior Corporation Board of Directors.

I was extremely disappointed that volunteers were not forthcoming at a recent City Council meeting.

I will be on an extended family vacation from July 27 through August 11, so if there is an interview process I would appreciate the opportunity to meet with the appropriate people before then.

I look forward to serving Costa Mesa residents, and especially our senior citizens.

Sincerely,

David R. Kinkade

Why do you wish to become a member of the Board of Directors of the Costa Mesa Senior Corporation?

At a recent City Council Meeting I was surprised, and somewhat concerned, that there were no volunteer applicants to be a City Council Designated Director. With my business and financial background I am confident that I can be of assistance.

What contribution do you hope to make as a member of the Board of Directors of the Costa Mesa Senior Corporation?

I am over 65, in excellent health and with modest resources so I can identify with a number of seniors' issues – and have the time, motivation and energy to be helpful.

Other information which you feel would be valuable to us in matching your interests and skills with the needs of the organization:

I should probably mention that I retired from the US Army in 1980, with over 20 years active service.

Please feel free to attach your resumé.

All applications will be reviewed by the Nominations/Membership Committee.
