## Overall MDC Survey

**Scoring: First = 3 / Second = 2 / Third = 1**

Escanuelas	3	Best: Screen easy to read / Worst: Mouse hard to move
Reitz	2	Best: Speed / Worst: Keyboard, screen not real clear.
Chingarev	2	Best: Hightech, fast, nice and easy to operate / Worst: Too flimsy for police car use. Panasonic is as good as Motorola, so little things decide the outcome. Panasonic does not have shortcut buttons on it's monitor like Motorola, it is less durable and appears to be less suitable for police car use and abuse.
J. Johnson	2	Best: Keyboard location / Worst: No short cut keys.
