### NETMOTION END USER LICENSE AGREEMENT

#### **IMPORTANT-READ CAREFULLY BEFORE INSTALLING OR USING THE SOFTWARE:**

This NetMotion End User License Agreement ("EULA") is a legal agreement between Costa Mesa Police Department ("Customer") with offices at 99 Fair Drive, Costa Mesa, CA 92628 and NetMotion, Inc. ("NetMotion") with offices at 701 N. 34<sup>th</sup> Street, Seattle, WA 98103 for the NetMotion software product, which includes computer software and associated documentation ("Software"). The Software also includes any updates and supplements to the original Software provided to Customer by NetMotion. Any product provided along with the Software that is associated with a separate end-user license agreement is licensed to Customer under the terms of that license agreement. By installing, copying, downloading, accessing or otherwise using the Software, Customer agrees to be bound by the terms of this EULA. If Customer does not agree to the terms of this EULA, do not use or install the Software. If Customer has purchased the Software, promptly return the Software and all accompanying materials with proof of purchase to Customer's place of purchase for a refund.

#### **SOFTWARE LICENSE**

The Software is confidential and protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. The Software is licensed, not sold.

**GRANT OF LICENSE.** This EULA grants Customer the following rights:

- a) Customer may install and use a copy of the server component of the Software on as many Servers as are necessary to support Customer's authorized use of the Software. For purposes of this EULA, "Server" means any computer on which the server component of the Software is installed or used.
- b) Customer may install the number of copies of the client component of the Software for which Customer has obtained a license on computers, workstations, terminals, handheld PCs, pagers, "smart phones", or other digital electronic devices ("Computers" or, individually, "Computer") solely for Customer's internal use.
- c) Customer must acquire a client License for any Computer that directly or indirectly connects to a Server.

#### **OTHER RIGHTS AND LIMITATIONS.**

- **Limitations on Reverse Engineering, Decompilation and Disassembly.** The Software in both object code and source code form includes valuable trade secret information of NetMotion. Customer may not make any copies of the Software beyond the number necessary to exercise Customer's license rights in the Software, and shall not provide copies of the Software to any third party. Customer may not reverse engineer, decompile, or disassemble the Software or otherwise attempt to gain access to the source code for the Software.
- **Transfer.** Customer may not rent, lease, sell, sublicense, lend or otherwise transfer or assign Customer's rights or obligations under this EULA to any person or entity without the prior written consent of NetMotion. Such consent may be conditioned on the payment of additional license fees.
- **Reservation of Rights.** NetMotion reserves all rights not expressly granted under this EULA.

**TERMINATION.** If Customer received a Time-Limited Evaluation version of the Software, Customer's license to such version of the Software will terminate the date the Time-Limited Evaluation version times out. If Customer violates any term of this EULA, NetMotion may terminate this EULA without waiving any other rights. If Customer's EULA is terminated, Customer must destroy all copies of the Software and, on request of NetMotion, certify said destruction.

## Attachment 6

**SAFEGUARDS/AUDIT RIGHTS.** Customer agrees to: (i) implement internal safeguards to prevent any unauthorized copying, distribution, or use of the Software; (ii) provide NetMotion with written certification of the number of copies of the Software installed or used on request, and (iii) to allow NetMotion to audit Customer's premises and systems for compliance with this EULA during regular business hours. NetMotion will pay for the cost of the audit unless the audit shows an unresolved discrepancy in the number of copies of the Software used over the licenses Customer has acquired that is in violation of this agreement, in which event, Customer shall pay for the cost of the audit.

**COPIES.** NetMotion and its suppliers retain all ownership of the Software and all copies thereof. Except as expressly provided in this EULA, Customer may not make copies of the Software or the printed materials accompanying the Software. Customer may make one copy of electronic documentation accompanying the Software for each license Customer has acquired for the Software. Customer must include all applicable copyright notices and other proprietary rights legends that come with the Software in any copies Customer makes. Customer may keep the original media on which the Software was provided by NetMotion solely for backup or archival purposes. If the original media is required to use the Software, Customer may make one copy of the Software solely for backup or archival purposes.

**EXPORT.** Customer agrees that Customer will not export or re-export the Software, any part thereof, or any process or service that is the direct product of the Software, except in accordance with all applicable U.S. export restrictions.

**U.S. GOVERNMENT RESTRICTED RIGHTS.** The Software is commercial computer software and documentation developed exclusively at private expense, and in all respects is proprietary data belonging solely to NetMotion. If the Software is acquired by or on behalf of agencies or units of the Department of Defense (DoD), then, pursuant to DoD FAR Supplement Section 227.7202 and its successors (48 C.F.R. 227.7202) the Government's right to use, reproduce or disclose the Software is subject to the restrictions of this EULA. If the Software is acquired by or on behalf of civilian agencies of the United States Government, then, pursuant to FAR Section 12.212 and its successors (48 C.F.R. 12.212), the Government's right to use, reproduce or disclose the Software is subject to the restrictions of this EULA.

**GOVERNING LAW AND ATTORNEYS' FEES.** This EULA is governed by the laws of the State of Washington, USA, excluding its conflict of laws rules, and specifically excludes the United Nations Convention on Contracts for the International Sale of Goods. In any action or suit to enforce any right or remedy under this EULA or to interpret any provision of this EULA, the prevailing party will be entitled to recover its costs, including reasonable attorneys' fees.

**ENTIRE AGREEMENT.** This EULA constitutes the entire agreement between Customer and NetMotion with respect to the Software, and replaces all other agreements or representations, whether written or oral. The terms of this EULA cannot be modified by any terms in any printed forms used by the parties in performing the EULA, and can only be modified by express written consent of both parties. If any part of this EULA is held to be unenforceable as written, it will be enforced to the maximum extent allowed by applicable law, and will not affect the enforceability of any other part. The original of this EULA is in English. If it is translated into another language, the English language version shall prevail.

**LIMITED WARRANTY.** For a period of ninety (90) days from the date of shipment of the Software, NetMotion warrants that (a) the unmodified Software will perform substantially in accordance with the accompanying written materials when used as directed, and (b) the media upon which the Software is delivered will be free of defects. Any implied warranties are limited to this 90 day period. This Limited

Warranty is void if failure of the Software has resulted from modification, accident, abuse, or misapplication.

**EXCLUSIVE REMEDY.** Customer's exclusive remedy with respect to any breach of the Limited Warranty is, at NetMotion's option, either repair or replacement of the non-conforming Software or return of the price Customer paid for the non-conforming Software. Customer must return all non-conforming Software to NetMotion with Customer's proof of purchase to be entitled to this remedy. Outside the United States, neither these remedies nor any product support services offered by NetMotion are available without proof of Customer's purchase from an authorized international source.

**NO OTHER WARRANTIES.** TO THE FULL EXTENT PERMITTED BY LAW, NETMOTION AND ITS SUPPLIERS DISCLAIM ALL OTHER WARRANTIES, WHETHER ORAL OR WRITTEN, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, WITH REGARD TO THE SOFTWARE
