1. Indicate why you wish to serve on this Committee/Board:

I wish to serve on this committee because the committee's focus is something that is near to my heart. Being a mother of a two year old and having struggled with the daycare issue myself, I recognize the importance of such committees. Also, I feel that it is extremely imperative to give back to the community in which I was raised. I would hope to help better serve our community's youth and parents by providing more services and creating more awareness about those already in existence.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

The primary reason that I am qualified to be on such a committee is because I am a parent. Besides the obvious implications of such a role, I recently graduated from Chapman University with a degree in Sociology and an emphasis in Social Work so I am familiar with recent information regarding children and families in the general population. Also, during my time at Chapman I interned with the Child Abuse Services Team so I have a keen understanding of that particular arena of the county. I am currently attending National Univeristy to obtain my single subject teaching credential and my Master's of Arts in Teaching. I feel that because I am young and I recently graduated from school I have a perspective on community issues with regards to children and their families and the issues surrounding them that might be missing in such a committee at this time.

My experience and qualifications include the following:

1. Public School Teacher

From 1969 to 1972 I taught special education classes at Magnolia High School in Anaheim Union High School District. Since 2000, I have been employed by Orange County Dept. of Education/ACCESS Program as a teacher of alternative education. We work with students who are referred by districts for credit and behavior issues.

My teaching experience has broadened my awareness of the challenges facing young people and their families. I have observed the direct impact on families and the community of both appropriate child care and inappropriate or unavailable child care. I am interested in participating in efforts to expand child care services to the many families and children who need them.

2. Since 1992 I have served on the Board of Trustees of Childs-pace Foundation, Inc., a Costa Mesa-based foundation that operates state-funded after-school child care programs in Costa Mesa, Anaheim and Buena Park.

Since 2001, I have served as President of the Board of Trustees of Childs-pace. This service has provided me with valuable experience and understanding of the community, city, county and state issues involved in child care. I recognize the need for increased community support for child care issues and services, the need to expand professional child care programs' availability and the importance of adequate funding for programs.

3. I have lived in Newport Heights since 1971 and raised two daughters, who attended Newport Mesa schools through high school.

4. Other work experience includes 20 years in business, including trade publishing and consumer product sales and marketing. My business experience, including financial management, has improved my effectiveness as a Childs-pace Board member.

1. Indicate why you wish to serve on this Committee/Board:

I am a local amateur artist with a huge passion for life. I am listed in the CM Artist Directory. I participate in the annual Huntington Beach Art Gallery "Call to Local Artist" exhibit. I have won several ribbons at the OC Fair.

I would like to see Costa Mesa establish an art gallery for local artist to display their work, which is part of the committees' long term goals. I do want to be part of the driving force for other artist to have the chance to show their work. Plus, it looks like you don't have too many people looking to donate their time, so I am perfect for the job.

2. Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

I have held a few Board Of Director positions:

- Yamaha Federal Employee Credit Union as Vice President, 1991 ~ 1995.
- Canyon Townhomes Homeowners Association as President and currently Vice President, 1992 ~ present.

I also work as an Event Coordinator Assistant for annual Tall Ship LA events. (This is my best friends business, event coordinating, so I always help him out) This year's event was August 11 ~ 14 and held at San Pedro's Ports Of Call Harbor. We brought in 16 Tall Ship from around the world for the public to tour and sail on. This event drew 500,000 people over the 4 days. I worked with the Port Police, LA Port, LA Maritime Museum, Vendors, Ship Captains and the public to ensure the event went smoothly. We also had over 400 volunteers helping.

I also work part time as a Production Assistant and Extra in the movie industry.

My wife and I participate in **Burning Man** since 2002.

I'm a native Californian, Costa Mesa resident since January 1990, and homeowner in Costa Mesa. My resume is for my profession, which does not really apply to the "arts". I can give you a copy if you like. I work for Nissan North America.

Indicate why you wish to serve on this Committee/Board:

I wish to serve on the Friends of Fairview Park Committee because the Board of the Harbor Soaring Society (HSS) has called upon me to replace Bill Eckles, the outgoing General Director. Bill has done an outstanding job in this position and will be a "hard act to follow". None the less, the HSS Board is trusting that I can and will rise to the task - given my background as an avid life-long aero modeler... having considerable experience as a City Planning consultant... and having served on other boards and commissions... and currently serving on the Orange Coast River Park Committee.

Speaking for myself, I personally appreciate and enjoy the model flying activities uniquely offered by Fairview Park... and sincerely wish to do my fair share in preserving and enhancing this fine facility. Moreover, as a member of the Orange Coast River Park Committee and as a City Planner with considerable experience with open space, parks and trails, I understand and value the many varied resources and potentials of Fairview Park... in and of itself... and as a major component of the River Park. Accordingly, I would be honored to represent the Harbor Soaring Society in its active support of the Friends of the Park.

I would be pleased to offer additional background information and references as desired.  
Thank you for your consideration.

Dear Councilmembers:

I am applying for appointment to the City's Investment Oversight Committee.

Attached is a copy of my application for appointment to the Parks, Recreational Facilities and Parkways Commission dated 20 December 2004.

At the beginning of my employment as an Account Executive with Merrill Lynch I attended a 12 week long school conducted by Merrill Lynch in New York City. That school dealt with all aspects of investments and I passed examinations qualifying me to place customer's orders in all markets.

Please let me know if you need any further information.

20 December 2004

The Costa Mesa City Council  
P. O. Box 1200  
Costa Mesa, CA  
92628-1200

Dear Councilmembers:

I am applying for appointment to City's Parks, Recreational Facilities and Parkways Commission.

I am married to Clarisse since 1965. We have lived in Costa Mesa since 1971. We have two sons both of whom attended Newport Mesa public schools. I am retired from gainful employment.

**EDUCATION:**

1. Graduated from Cleveland Heights High School in June 1953.
2. Graduated from the U. S. Naval Academy with a B. S. in June 1957.
3. Completed two years at night at the Cleveland Marshall Law School, Cleveland, Ohio, from September 1965 to June 1967.

**PROFESSIONAL RECORD:**

1. Served as a Commissioned Officer in the U. S. Navy from June 1957 to June 1965.
2. Employed as a Purchasing Agent by the Cleveland Electric Illuminating Co. from September 1965 to May 1969.
3. Employed as an Account Executive by Merrill Lynch from May 1969 to July 1973.
4. Employed by the Allstate Insurance Co. as a bodily injury claim investigator and litigation specialist from July 1973 to February

1996.

5. Employed by Pioneer Claims Service as an investigator from March 1996 to November 1999.

**PUBLIC SERVICE:**

1. Served on the City's Transportation Commission from March 1989 to December 1993 during which I was the Chairman for two consecutive years. One of the major projects completed in that period was the widening of Victoria St.

2. Served on the Parks Commission from April 1994 to January 2001 during which I was, as I best remember, the Chairman for two consecutive years. Major projects undertaken during that period were the continuing refinement of the Master Plan for Fairview Park and the completion of the Farm Sports Complex. During the last year on the Commission, we took the first steps to locate and approving Costa Mesa's first Skateboard Park.

In the almost four years since I last served on the Commission, the City has successfully located and begun construction of a Skateboard Park. I spoke several times before City Commissions and the City Council in support of the location in TeWinkle Park.

In the near future the City needs to locate a second Skateboard Park. The City also needs to locate and establish additional park facilities.

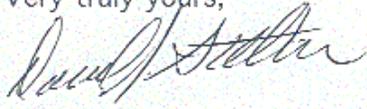

I know most of the Senior Staff in Parks and Recreation matters and have worked successfully with them.

I look forward to again serving on the Parks Commission.

Please let me know when I can meet with each of you about this appointment. My phone number is [REDACTED] and my E-Mail address is [REDACTED]

Thank you very much.

Very truly yours,
