Redevelopment and Residential Rehabilitation (3R)

City of Costa Mesa

Indicate why you wish to serve on this Committee/Board:

I have a strong personal interest in the effective use of City resources to support the elimination of substandard housing and the improvement of economic conditions for families in Costa Mesa. The 3R Committee advises the Council on the application of Redevelopment and federal funds for affordable housing projects and programs serving low-income residents, and I have found this Committee's work to be extremely interesting during the more than 8 years I have served on the Committee. I would like to be reappointed to continue this service to Costa Mesa.

Indicate any experience or qualifications you possess that might apply to the Committee/Board you are interested in serving on. A resume may also be attached to this form. This is strictly optional.

My experience as an attorney involved with residential real estate for over 20 years, and my involvement with successful private programs serving low-income residents of Costa Mesa, give me important knowledge concerning the matters which are often presented to our 3R Committee. I respectfully request reappointment to the 3R Committee.

1. Indicate why you wish to serve on the Committee

I wish to continue serving on the committee because after three meetings, I am beginning to understand the workings of the committee.

There is a great responsibility to make sure that the monies that are allocated are done so in the best possible manner. The citizens work hard to pay their taxes and we must expend them in a proper way.

I enjoy spending my free time in service to the community.

2. Indicate any experience you possess

My experience as a General Engineering Contractor, and in the construction business for over 35 years, will help give an insight to many of the construction aspects which may arise.

I have been a resident on the east side of the City for seven years.
