b. CITY does not, and shall not, waive any rights against DEVELOPER which it may have by reason of the aforesaid hold harmless agreements because of the acceptance by CITY or the deposit with CITY by DEVELOPER of any insurance policies or certificates of insurance purporting to indemnify for the aforesaid losses. The aforesaid hold harmless agreements shall apply to all liabilities, claims, expenses and damages of every kind including but not limited to attorneys' fees, suffered or alleged to have been suffered, by reason of the aforesaid operations of DEVELOPER or any contractor or others performing on behalf of DEVELOPER, regardless of whether or not such insurance policies are applicable.

The contractor shall, at its own expense, make any and all repairs and replacements that shall become necessary as the result of any failure of the work to conform to the aforementioned plans, specifications, and standard specifications; provided, however, that the contractor shall be obligated under this provision only to the extent of those failures or defects of which it is given notice within a period of twelve (12) months from the date that the notice of completion is recorded,

sum equal to ninety percent (90%) of the value of the actual work completed, since the commencement of the District Improvements as determined by the CITY pursuant to such supporting information as may be reasonably required by CITY to document DEVELOPER's expenditures; and thereafter, provided there is sufficient outside funding to do so, from time to time as the District Improvements progress, DEVELOPER shall be paid such sum as will bring the total payments received, since the commencement of the Town Center District Improvements, as reasonably determined by the CITY (less all previous payments) to ninety percent (90%) of the value of the actual work completed. In no case shall the amount withheld by the CITY be of a value less than ten percent (10%) of the value of the work completed. The partial payments provided for herein shall not be considered as an acceptance of any part of the work.

b. FINAL ACCOUNTING AND STOP NOTICE RELEASES. Upon completion of construction of the District Improvements, DEVELOPER shall submit to CITY a final accounting to determine the total costs of the design and construction work. DEVELOPER shall also submit to CITY such supporting information as may be reasonably required by CITY to document DEVELOPER's expenditures on the District Improvements, including the cost of blueprinting and similar expenses, all bond premiums and all costs of obtaining governmental approvals and permits, as well as the actual construction costs. c. FINAL PAYMENT. No earlier than thirty-five (35) days after acceptance of the work and the recording of the Notice of Completion, and no later than sixty (60) days after said recording, and further provided that CITY shall have received adequate outside funding for such purposes, CITY shall reimburse DEVELOPER for the actual costs incurred in designing and constructing the District Improvements (less all previous payments), including related expenses and construction costs. CITY shall make such final payment to DEVELOPER after DEVELOPER has submitted all documents required to make a final accounting.
