1 Page No. 2	CITY OF COSTA MESA POLICE DEPARTMENT CONTINUATION REPORT	2 DR No. 05-8347

On 5/21/05 at approximately 1210 hours, I responded to a graffiti vandalism call in progress near the area of 610 Joann Street (in the bike path). [redacted] witnessed the incident and said that three Hispanic male juveniles spray-painted on the sidewalk of the Joann Street bike path. The suspects were seen wearing khaki pants, long black shorts and blue jeans.

The suspects were seen walking to Maple Avenue and Joann Street, where they rested on the grass of the southeast apartments. Officers arrived on scene and detained the three males. They were wearing clothes that matched closely to the description given. [redacted] was wearing khaki shorts, [redacted] was wearing long black shorts and [redacted] was wearing blue jeans.

I arrived and recognized [redacted]. I had detained them at the 2300 Harbor bus stop on 5/15/05 in reference a graffiti incident. On that incident (DR#05-7971) I arreste[redacted] for writing "VL" on a block wall with a black permanent marker.

I then drove to the Joann Street bike path. I located several areas of black and peach colored spray paint on the ground. "MBK" was written on the pavement and on a wall. I was unable to determine if this was new graffiti. I later observed "PVL" on the bike path pavement behind 658 Joann Street. This was done with gray spray paint. It was clean and somewhat glossy. His graffiti appeared to be recently applied.

Officer Reitz responded to 606 Joann Street and spoke with [redacted]. Officer Reitz read him the in field admonishment and then drove him to Maple and Joann. [redacted] positively identified [redacted] as the suspect seen spray-painting the pavement of the bike path. [redacted] completed a written statement and signed a citizen's arrest. See attached.

Corporal Phillips spoke with the three suspects and told them that an eyewitness had observed the incident. He walked with the suspects north across Joann Street and then back south to the southwest corner of Maple and Joann. [redacted] then pointed to a sprinkler valve box by the apartment building and indicated that the spray can was in there. After removing the cover, we located the spray can (American Fast Finish, Machine Gray color). I collected the can and later booked it into evidence. Next to the sprinkler cover, I saw a clear cellophane gum wrapper. It had dark gray or black spray paint on it.

[redacted] said that he found the spray can there and took it to the bike path to test it and see if it worked. He admitted to having had spray painted a line on the ground. [redacted] said that he also tested it, spraying a dot on the ground. They denied knowing what "MBK" meant.

I subsequently arrested [redacted] for graffiti vandalism, 594(a)(1) PC. I drove him to the CMPD juvenile holding room and contacted his mother to pick him up after the booking process. I read [redacted] the Miranda Warnings from my department issued card. [redacted] admitted that he did write "PVL" and that he is part of a tagging crew, not a gang. He was subsequently released to his mother.

I reques[redacted] be prosecuted for vandalism, 594(a)(1) PC.
