MEASURE M

LOCAL PAVEMENT MANAGEMENT PLAN CERTIFICATION

The City of Costa Mesa certifies that it has a Pavement Management Plan in conformance with the criteria stated in the Orange County Local Transportation Authority Ordinance No. 2, Policy Resolution No. 3. This resolution requires that a Local Pavement Management Plan be in place and maintained to qualify for allocation of revenues generated from Measure M.

The system was developed by STANTEC* and contains, at a minimum, the following elements:

- Inventory of MPAH and local routes reviewed and updated biennially. The last update of the inventory was completed May 2006.
 - Assessment of pavement condition for all routes in the system, updated biennially. The last review of pavement condition was completed May 2006.
 - Percentage of all sections of pavement needing:
Rehabilitation: 41 percent Replacement: 13 percent
 - Budget needs for rehabilitation or replacement of deficient sections of pavement for:
Current biennial period (2006-2007): \$90,471,272
Following biennial period (2008-2009): \$6,145,246
- * A copy of the Local Pavement Management Plan must be submitted with the certification statement.

A copy of this certification is being provided to the Orange County Local Transportation Authority.
