 Panasonic - Arbitrator(Unit 731)

Name: _____ Rank: _____ Shift: _____ Date: _____

In an effort to select the best Mobile Video System (MVS) for Costa Mesa, it is important that we receive quality feed back for the MVS you are rating. Your opinions and comments are necessary for the Department to make the proper selection that best meets the needs of the Officers, the Department and the City. If you need additional room for comments, please add a continuation page to the survey.
