

CITY COUNCIL AGENDA REPORT

MEETING DATE: NOVEMBER 20, 2007

ITEM NUMBER:

SUBJECT: ROADWAY REHABILITATION OF WEST 19TH STREET FROM PLACENTIA AVENUE TO PARKCREST AVENUE – FEDERAL PROJECT NO. STPL – 5312 (052) CITY PROJECT NO. 07-13

DATE: OCTOBER 23, 2007

FROM: PUBLIC SERVICES DEPARTMENT/ENGINEERING DIVISION

PRESENTATION BY: WILLIAM J. MORRIS, DIRECTOR OF PUBLIC SERVICES

FOR FURTHER INFORMATION CONTACT: ERNESTO MUNOZ, CITY ENGINEER, (714) 754-5343

RECOMMENDATION:

1. Adopt plans, specifications, and working details for the Roadway Rehabilitation of West 19th Street from Placentia Avenue to Parkcrest Avenue, City Project No. 07-13.
2. Award a construction contract to R.J. Noble Company, 15505 East Lincoln Avenue, Orange, CA 92865, in the amount of \$1,229,900.00.
3. Authorize the Mayor and the City Clerk to execute the Public Works Agreement.

BACKGROUND:

Based on staff's observations and recommendations from the City's Pavement Management System, West 19th Street from Placentia Avenue to Parkcrest Avenue is in need of pavement rehabilitation at this time.

In July 2005, staff was successful in procuring grant funding for the needed work through the Arterial Highway Rehabilitation Program (AHRP) administered by the Orange County Transportation Authority (OCTA). Grant funding for 28 percent of the cost of construction was secured for this work on West 19th Street.

The scope of work for this project, in general, consists of the total removal and reconstruction of asphalt concrete pavement; removal and reconstruction of damaged curb and gutter, sidewalks and driveways; installation of missing access ramps within the project limits; traffic control, striping and pavement markings; and all other tasks necessary to perform and complete the work as shown on the plans and contract documents.

ANALYSIS:

The City Clerk received and opened eight (8) bids for this project on October 3, 2007. R.J. Noble Company was the apparent low bidder with a base bid proposal of \$1,175,959.40. The Engineer's estimate was \$1,922,711.00; and the average of the eight (8) base bids received amounted to \$1,511,473.68. An analysis of the base bids indicates that the apparent low bidder submitted a proposal that is 39 percent lower than the Engineer's estimate. The variance between the low bidder and the Engineer's estimate may be attributed to the current price fluctuations that are occurring within the construction industry. The Bid Abstract is included as Attachment "1".

In addition to the base bid, the bid solicitation also included one additive bid item. The additive bid item includes the construction of approximately 8,562 square feet of concrete sidewalk. The low bidder's total for the base bid plus the additive bid item is \$1,229,900.00. The Engineer's estimate for the base bid plus the additive bid item is \$2,008,331.00. Since the amount of the base bid plus the additive bid item is within the Engineer's estimate, staff recommends the award of the contract to include the additive bid item.

The license and references of R.J. Noble Company were checked and staff has found them to be in good standing. R.J. Noble Company has successfully completed many projects in the City of Costa Mesa including most recently the Community Development Block Grant (CDBG) Projects: Rehabilitation of Wallace Avenue, Buoy Street, Kenwood Place, Congress Street, and the Cassia and Valencia Rehabilitation Project.

ALTERNATIVES CONSIDERED:

The alternative to this Council action would be to reject all the bids. If all the bids were rejected, the City would have to readvertise or cancel the project. Staff believes that readvertising the project will not result in lower bids.

FISCAL REVIEW:

Funding for the City's share of this project is available from Gas Tax funds. A Federal grant will reimburse the City for approximately 28 percent of the eligible items of work.

LEGAL REVIEW:

R.J. Noble Company will furnish the necessary bonds and insurance, which must be approved as to form by the City Attorney's office. After the award and subsequent execution of the contract, a "Notice to Proceed" will be issued.

CONCLUSION:

It is recommended that the City Council adopt plans, specifications, and working details for the Roadway Rehabilitation of West 19th Street from Placentia Avenue to Parkcrest Avenue, City Project No. 07-13; award the contract to R.J. Noble Company in the amount of \$1,229,900.00; and authorize the Mayor and the City Clerk to execute the Public Works Agreement.
