Dear Allan:

At the Costa Mesa Senior Corporation board meeting this morning, June 17, 2008, the board passed to close on Saturday mornings starting June 28 till September 13. The reason being to help balance the budget. This trial period will save the Center approximately \$4,000.00.

This will be reviewed after the summer to make sure that it is feasible to do for the following years.

That also means that we do not need the extra bus on Saturday's as stated in your budget. We did need an extra bus during the week and we received a grant from Hoag Hospital to cover three days a week. We now have three busses going.

If you have any other questions regarding the above please feel free to contact me. Good luck tonight with your budget.
