We just received the notice that Trinity Broadcasting Network is now appealing their only restriction being placed on them. We have other evening obligations for Tuesday, November 18th, 2008.

We would like to request a postponement to a future date.

Sincerely,

Stacy and Steve Schofro

Dear Mel,

**Re: Trinity Broadcasting Network – 3150 Bear Street; ZA 0810; Request for Minor  
Conditional Use Permit**

We have received the Schofro's request to continue the public hearing for the project referenced above.

We are certainly willing to accommodate their request; however, we prefer to not have the hearing during the Christmas and New Year holiday season. As such, we request that it be continued to January 20, 2009.

If you have any questions, please contact me at (949) 777-9400.

Sincerely,

A handwritten signature in cursive script that reads "Vicki".
