

CITY OF COSTA MESA
COSTA MESA FIRE DEPARTMENT
INTER-OFFICE MEMORANDUM

DATE: MAY 21, 2009
TO: CITY COUNCIL
FROM: GREGG STEWARD, DEPUTY CHIEF/FIRE MARSHAL
SUBJECT: POWERPOINT REGARDING FIRE PREVENTION FEES

During the May 5, 2009, City Council meeting fire prevention provided City Council with information on some proposed fees. Because the Council wanted to look at the proposed fees separately, fire prevention was asked to provide Council with additional information, and to split the proposed fees into separate categories. Four (4) City Council Agenda Reports have been completed and will be going before the City Council on June 2, 2009. To better explain the proposed fees a PowerPoint presentation, covering all four categories was developed. I am respectfully requesting one copy of the PowerPoint be utilized for all four Council Agenda Reports, eliminating the need to attach the entire PowerPoint to all four reports.
