The Planning Commission is contemplating either modifying or revoking Garcia Recycling's permit, and the hearing on this issue is scheduled on August 9, 2010 at 6:00 p.m. We believe that revoking the permit is unduly harsh since we are providing a much needed service to the community, and in the process we are helping to divert trash from landfills.

We believe we run a clean, efficient, recycling operation and we make every effort to minimize our impact to the surrounding neighborhood and businesses by constantly sweeping the area, picking up any litter, and keeping our trucks and containers freshly painted and free of graffiti. We also do our best to serve our customers as quickly as possible by having a large, well-trained staff. If you agree that Garcia Recycling's service is important to the community and that its operations are not disruptive to the surroundings or aesthetically offensive, please show your support by signing below.
