Project Address:

PART ONE: CITY REGULATIONS REGARDING CITY-PERMITTED HAULERS

City Regulations

Section 8-83(h), Regulations, of Title 8 of the Costa Mesa Municipal Code indicates that "for any type of solid waste collection in the City, it shall be unlawful for any person to use the services offered by a person, service, or enterprise that has not obtained all the required permits from the City."

For demolition, grading, or building permits involving projects with a valuation of \$10,000 or more, the contractor must use a City-permitted hauler(s) (see Exhibit A, reverse side) to haul any debris or solid waste from the job site.

Administrative Penalty

Use of a City-permitted hauler for this project is the responsibility of the designated contractor on this form. Non-compliance is subject to an administrative penalty as follows:

\$1,000 or 3% of the total project value, whichever is greater.

PART TWO: COMPLIANCE AND DOCUMENTATION

Proof of Compliance

Prior to issuance of final certificate of occupancy or release of utilities (whichever occurs first), the contractor shall demonstrate compliance by attaching all hauling receipts/invoices or other appropriate documentation as deemed by City staff from the City-permitted hauler used for the project. A copy of this form shall be attached, and the documents shall be submitted to:

City of Costa Mesa, Department of Public Services, 4th Floor, 77 Fair Drive, Costa Mesa, CA 92628
