## GENERAL TERMS

"You" and "your" refers to the Customer provided above.

In the event that the Customer and the Quote To Account Name provided above are not the same, City Of Costa Mesa acknowledges that Customer has authorized City Of Costa Mesa to execute this ordering document on Customer's behalf and to bind Customer to the terms described herein. City Of Costa Mesa agrees that the ordered services shall be used solely by the Customer and shall advise Customer of the terms of this ordering document as well as information and notices about technical support that Oracle provides to City Of Costa Mesa during the term of service.

The technical support services acquired under this ordering document are governed by the terms and conditions of the us-psft-slsa-ps1739-us19-mar-1996. However, any use of the programs, which includes by definition the updates and other materials provided or made available by Oracle under technical support, is subject to the rights granted for the programs set forth in the order in which the programs were acquired.

Technical support is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of services provided for supported programs during the period for which fees for technical support have been paid. You should review the technical support policies prior to entering into this ordering document. The current version of the technical support policies, including Oracle's reinstatement policy, may be accessed at <http://www.oracle.com/support/policies.html>. Customers who allow technical support to lapse and later wish to reactivate it will be subject to Oracle's reinstatement policy in effect at the time of reinstatement. Applicable reinstatement fees may apply in addition to the annual technical support fees.

In the event that Priority Service is acquired under this ordering document, you acknowledge you must maintain a current Software Update License & Support contract for all licenses in a license set for which Priority Service has been purchased. By accepting this ordering document, you also acknowledge that Software Update License & Support for program licenses listed under the Priority Service level may be renewed under separate contract(s). Upon renewal, Priority Service fees will be based on the Priority Service pricing policies in effect at the time of renewal and such fees will be adjusted to account for any acquisition of additional licenses in a license set. Contractual caps on annual technical support fees for Software Update License & Support do not apply to Priority Service, unless stated otherwise in your contract.

Once ordered, technical support for the support period defined above is non-cancelable and the related fees are non-refundable.

An invoice will only be issued upon receipt of a form of payment acceptable to Oracle. Regardless of the form of payment, Oracle's invoice includes applicable sales tax, GST, or VAT (collectively referred to as "tax"). If City Of Costa Mesa is a tax exempt organization, a copy of City Of Costa Mesa's tax exemption certificate must be submitted with City Of Costa Mesa's purchase order, check, credit card or other acceptable form of payment.
