Dear Ms. McPherson,

Newport Mesa Friday Night Lights is a non-profit organization which has an "everyone plays" philosophy and during the winter/spring 2011 allocation period (February – June) 71 Costa Mesa residents out of 91 total participants (78% Costa Mesa residency) were registered. We are requesting to be considered as a Group 1 organization waiving field rental and light fees at the Farm Sports Complex.

Please see your way to grant this request to our organization for the July-January allocation for the Farm Complex.

Thank you for your consideration.

Sincerely,

Scott J. Mahaffy
