Name: Irene P Engard

Indicate the name of the Committee/Board you are interested in serving on:
Cultural Arts Committee

City of Costa Mesa
77 Fair Drive, Costa Mesa, CA 92626

1. Indicate why you wish to serve on this Committee/Board. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee/Board. A resume (optional) may be attached. (Note: All information contained on the resume is public information, will be distributed to the public and posted on the City's website).

I wish to continue my service to the city on this committee. I believe it is very important to promote art within our city.

I believe we have great artists in our community. I believe it is our our best interest as "the City of the Arts" to continue our efforts to bring the community and the artists together. Our committee is beginning to realize some of the goals we aspired to in 2008 when I began my service.

I rarely miss meetings and am a team player. I have been a business owner for over 33 years and active in our community for over 12 years.

Serving on the Cultural Arts committee gives me the opportunity to give back to our community.

I have had the pleasure of working in Costa Mesa since 1981 and living in Costa Mesa since 1995.

Throughout my life I have had a passion for the arts, and as the executive director of The All-American Boys Chorus I have the opportunity to put that passion to work for the benefit of our choristers and also for the benefit of our community.

Costa Mesa is the cultural center of Orange County; with the marvelous Segerstrom Center for the Performing Arts, South Coast Repertory Theater, and many outstanding galleries and studios in our midst.

As the "City of the Arts" it is important for Costa Mesa to continue to cultivate and foster a love for the arts among our citizens, and especially our youth. This goal is best accomplished by increasing awareness of, accessibility to, and participation in the performing and visual arts via a broad spectrum of programs and events at the local level.

I greatly enjoy being a member of the Cultural Arts Committee, and I would be honored to continue working on further developing the many arts-related programs already in place in Costa Mesa, and also work with the other members of the committee to explore and create new avenues and methods of bringing the arts to more residents of Costa Mesa.

In 33 years as the business manager and then executive director of The All-American Boys Chorus I have developed, produced and directed many events related to the performing arts (concerts, tours, camps, festivals), as well as helped in collaborations with the Pacific Symphony Orchestra, Orange County Women's Chorus, Pacific Chorale, Orange County Symphony, Orange County Fair and the OC Fair Youth Expo, Arts Orange County, the Festival of Children and the Orange County Department of Education.

I helped develop the AABC's Music Outreach educational programs, which we have implemented locally and throughout the United States on over 28 concert tours and which have served over 40,000 children since 1995.

I was appointed to a committee that was jointly created by the Western Fairs Association and the California Arts Council to explore ways to bring more of the arts into county fairs throughout California as a means of increasing public awareness of the arts.

I belong to the Western Arts Alliance and to the networking alliance called the Orange County Music and Arts Administrators.

I studied piano for 12 years and played in the National Guild of Music Teachers piano adjudications for 8 years as well as the Certificate of Merit program. I am also currently one of the accompanists for the The All-American Boys Chorus.

Henry James wrote, "It is art that makes life..." My life is punctuated with an appreciation for arts (plural). What constitutes art began early for me, in a family with music and art as important and necessary parts of life. My education from early elementary grades through four years of college has used artistic media - drawing, painting, sculpture, literature, film - as means to educate and experience humanities and sciences. Regular attendance at symphonies, plays, films, art galleries and museums keep me informed about how the arts inform lives today. As an elementary teacher for nine years, art in all its forms was part of the curriculum. With the name "City of the Arts," I believe Costa Mesa has a responsibility to inform and direct its residents to as many forms of art as it can post or practice. To that end, I believe in having available copies of an inventory of the city's owned "arts," celebrating them with shows and/or performance, and commissioning new art with budgeted funding.

I am a long-time resident of Costa Mesa and a homeowner. I am currently employed as a Contract Specialist working in the GPS Satellite division at the Air Force Space and Missile Center. Prior to this, I worked for many years in the entertainment industry, focusing on television programming at several studios and production companies. I am passionate about the arts and the entertainment business and I believe my experience would be an asset to the Committee. Currently, I serve as a volunteer on several Air Force committees that are "booster" organizations (i.e., non-profit).

The projects of the Historical Preservation Committee bring information about our city to its residents. I believe that a knowledge of a community's history makes people more interested in that community. And I believe that local history is as important in its way as national history. I have been involved in gathering the history of Costa Mesa for more than 30 years and wish to continue doing so. Therefore, I am re-applying for this committee.

I am a present member of this committee and have been since it was formed. I have lived in Costa Mesa for almost 39 years. As a history major in college, I have always found our past interesting and think it is important to preserve for future generations. Our committee has several ongoing projects that I would like to see completed, especially the historical markers project (now in phase 2), of which I am the sub-committee chair. I have enjoyed serving on the Historical Preservation Committee, have learned and shared a lot about our city, and would like to continue as a member.

Subject: Historical Preservation Committee reappointment 2014

I have enjoyed serving on this committee for the past four years and hope to be reappointed at your pleasure.

I was lucky to grow up in a part of the United States where the Founding and the Revolutionary War were very important. People there were careful to preserve the History for future generations. I like to think that I have done my part to help preserve the History of the places where I have lived. Time goes by so quickly that the present turns into the past before we know it.

I have been able, through the committee, to participate in placing the Indigenous People of Costa Mesa sign at the Railroad Station, signing Broadway as the first paved street in Costa Mesa, working to designate the site of the WWII Santa Ana Army Air Base, and most importantly to me as a retired High School Social Sciences Teacher, helping to update the Costa Mesa Coloring Book.

I have enjoyed working with and learning from many people in Costa Mesa. I have made many lasting friendships.

I am still excited about working on the committee's projects and goals and look forward to bring needed diversity to each of them.

Thank you for your consideration.

Sincerely,

Melinda A. Lowery

My professional career spans 30 years in working with low income and affordable housing nonprofits, including section 8. Over the years I have served on a variety of boards to advance housing and services to special needs populations. I served on grants evaluation committees for many organizations including the United Way of Orange County.

I believe my experience, long time service to the community in this area as well as my working knowledge of housing and community development would greatly benefit this committee.

My experience in the housing & public service area includes:

I have more than 20 years experience as a grant writer and fundraiser for Orange County nonprofit agencies with a focus on housing.

Contracted by the First Presbyterian Church of Orange, I initiated the first Homeless Assistance and Prevention Program through the Federal Government H\Rapid Rehousing funding.

Working with the agency founder, Sam Boyce, I served as the first executive director for Serving People in Need.

Under the direction of former Senator Marion Bergeson worked as Administrative director for the Orange County Homeless Issues Task Force which brought together all agencies serving the needs of the homeless population.

Organized more than 1500 volunteers in Irvine for the first public private all voluntary project to convert abandoned migrant farm worker homes to temporary housing for at risk families.

Thank you for your consideration.

Hello,

Thank you in advance for taking the time to review my application for the Housing and Public Service Grant Committee. Your consideration of my application is greatly appreciated.

I wish to serve on this Committee/Board because I want to give back to the beautiful City of Costa Mesa. I am very proud to be a resident in Costa Mesa for ten years after moving here from Newport Beach. My goals are to give back to this Committee/Board by giving 100% of my time as needed and assist the Committee/Board in every way possible.

I have a diversified real estate background, so that is why I chose to submit this application for the Housing & Public Service Grant Committee. I acquired my Department of California Real Estate Sales License in 1988. My diversified real estate experience includes marketing, finance, escrow, customer service, event planning, social and sales in the housing industry. I feel that my housing background will be a benefit to this Committee/Board along with my enthusiasm to serve and give back to the community of Costa Mesa.

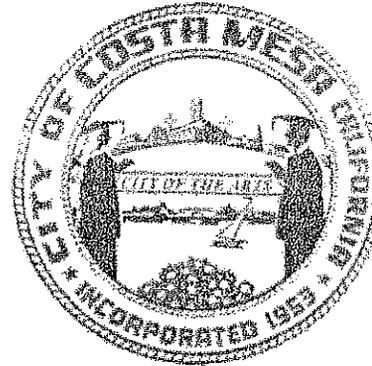

I have volunteer experience and served as a Board Director on the Sales & Marketing Council of Orange County in the New Home Building Industry. I also have volunteered for Habitat for Humanity in Orange County and Extreme Makeover.

To whom it may concern:

I am a resident with a strong interest in serving my community. Having served on several boards, committees, working groups and collaboratives throughout my career, I feel that I am quite familiar with the workload required of such a voluntary position. At this time, I feel that my professional and family obligations will allow me sufficient time to dedicate to serving Costa Mesa. I have been a resident of Costa Mesa for over 10 years, I have a young daughter (2.5 years old) and, for the past 5 years, I have owned and operated a small business, Ersoylu Consulting, here in the City of Costa Mesa as well.

Professionally, my expertise is in community and social programs. My firm consults dozens of organizations and cities on planning and measuring the impact of their community services and programs. I have served on grant review boards/ committees for St Joseph Community Partnership Fund, for First 5 Los Angeles and for Orange County Nutrition & Physical Activity. I currently serve on the St. Joseph Health System Community Partnership Fund Board, am Chair of The Grain Project Board (a local nonprofit) and have, in the past, served on the Santa Ana Federal Empowerment Zone Board. My professional background is in community health, and, as such, I am most interested in serving on the Housing & Public Services Grants Committee. In addition to having taught Nonprofit Organizations, Public Policy, Urban Politics and American Government at CSULB, Chapman and UCI, I have had the pleasure of giving several guest lectures to the UCI Masters in Urban Planning students over the years about how to create, implement, and measure successful community based programs. Topically, in addition to expertise in health and education programming, I have also written successful grants for CSBG funds for transitional housing programs (for LB CAP) and consulted on several violence-prevention projects. Therefore, if there is another committee that city staff believes my skills would be better suited, I am open to other options.

Please see my attached resume for more information on past work. I am looking forward to hearing back from you. I had inquired about 3 years ago to an open position on the Parks Commission, but never heard back from any of the Council members or city staff. So, I hope that this time, perhaps, there is a way that I can become more engaged in the community where I live, work and spend most of my family time. Thank you in advance for your consideration for the seats opening in early 2014.

Housing and Public Service Grant Committee appointment request:

I am a current member of the Housing and Public Service Grant Committee and was a member of the 3R committee for some 17 years and I would like to continue my volunteer service as a Housing and Public Service Grant Committee member. I am interested in improving the quality of life for all of the residents of Costa Mesa and the following list demonstrates some of my efforts to do so. Many thanks for your consideration.

Philip Morello

- Participated in the 3R's sub-committee money grant recommendations to the Costa Mesa City Council.
- Have visited a number of Costa Mesa Charities.
- Elected by my committee peers as a 3R committee chairman.
- Resident of Costa Mesa since 1981.
- Active in City issues since 1985 attending City Council meetings and study sessions.
- Founder (1986) and former president and Director of the Wallace Area Improvement Group (W.A.I.G.) and attended other Westside Costa Mesa Improvement Groups.
- Participated in the first and some subsequent Neighbors for Neighbors cleanups.
- Started, with the Wallace Area Improvement Group and with a coalition of other neighbors, the 24 hour removal of graffiti for which the City subsequently assumed responsibility and built a painting/cleaning truck to do so..
- Started, with the Wallace Area Improvement Group and with a coalition of other neighbors, the removal of abandoned grocery shopping cart in our neighborhood streets which the City subsequently passed an ordinance to control same.
- With the Wallace Area Improvement Group and a coalition of other neighbors, petitioned the city to install additional street lighting in high crime Westside Costa Mesa neighborhoods.
- Worked in conjunction with CM Police Department at the Westside Sub-station to get pre-signed authorization from property owner allowing CMPD to trespass onto private properties to patrol/investigate in high crime Westside Costa Mesa neighborhoods.
- With the Wallace Area Improvement Group and with a coalition of other neighbors, petitioned the city to remove noise, litter and unsafe food impacts by removing pushcart vendors from our Westside Costa Mesa neighborhood streets. The City passed an ordinance to do so.
- With the Wallace Area Improvement Group and with a coalition of other neighbors, petitioned the city to remove horn noise impacts from street vending trucks in our residential neighborhoods. The City passed an ordinance to do so.
- As a W.A.I.G. director and help from the City, sponsored large dumpsters for Westside Costa Mesa residents to use free-of-charge for residents and neighborhood cleanup.
- As a W.A.I.G. director, held quarterly W.A.I.G. meetings and reported our minutes to the City.
- As a W.A.I.G. director, held annual W.A.I.G. meetings and hosted City officials (Mayor, CMPD, Council Members, etc.) and reported our minutes to the City.
- As a W.A.I.G. director, requested monthly CMPD area crime statistics and monitored crime trending.
- As a W.A.I.G. director, requested City participation to remove all evidence of gang activity and other crimes such as territorial markers i.e. tennis shoes on power lines and graffiti to help initiate NYC/LAPD Chief Wm Bratton "broken window theory".
- As a W.A.I.G. director requested flood control along Hamilton Street and Wallace Avenue and the City installed the 54 inch storm drain under Hamilton Street and recently completed a storm drain at the corner of 20th Street and Wallace Avenue.
- As a W.A.I.G. director requested the City to install sidewalks along Hamilton Street and Wallace Avenue because of the large volume of foot traffic. The City responded by securing measure "C" money and installing the first of these side walks on Wallace Avenue.
- As a W.A.I.G. director requested the City to improve the look of the neighborhoods by repaving the alleyways in this area which the City subsequently gave priority to and did first.

I have lived in Costa Mesa for over 15 years. I have been an advocate for affordable housing and the homeless in Orange County for over 30 years, working as a Program Manager and Executive Director in the Orange County non-profit community. I have applied for and successfully received government grants including CDBG from a number of cities in Orange County including Costa Mesa. I am familiar with the application process and requirements.

I presently work for Western Community Housing, Inc., a non-profit housing development company located in Costa Mesa. Previously, I worked at the YWCA and Women Helping Women. I am Vice-Chair of the Kennedy Commission, an agency committed to the creation of affordable housing for low income families in Orange County. I belong to the National Organization for Human Services, the American Association of Service Coordinators and the 50+ Housing Council of Southern California.

I am a Human Services - Board Certified Practitioner and have a Certification in Non-Profit Management. I am a graduate of Cal Poly, Pomona and Cal State, Los Angeles.

As a resident of Costa Mesa, I am committed to supporting the city in being a place that cares about all its residents and the community as a whole.

The senior center is a highly valued part of our community. I have submitted applications in the past for this position but was not appointed, however my interest in serving on the Board has not waned.

I believe there is room for improvement on this Board in the form of creating/updating a Strategic Plan and implementing policies and procedures as well as identifying regular reports necessary for the Board to have measurable results and govern effectively and efficiently. The Board needs to identify the strategy and the staff has to implement the tactics to reach our goals.

As current President of the Board of Directors at Mesa Water District I believe I have a lot of knowledge on how a Board should operate effectively and efficiently. I am quite confident that there are policies and procedures at Mesa Water that translate well for the Costa Mesa Senior Center Board of Directors.

I am also a current LAFCO Commissioner where I have gained valuable knowledge of financial trend analysis and early warning signals concerning finances. I believe this knowledge helps to ensure the Costa Mesa Senior Corp. remains a valuable, viable, and ongoing entity.

In addition to being on the Board at Mesa Water I also currently serve on the Board for the Friends of the Costa Mesa Libraries.

In prior years I have served as a Planning Commissioner and Parks and Recreation Commissioner for the City of Costa Mesa.

Currently serving on the Finance Advisory Committee for the City of Costa Mesa.

Thank You for your consideration of my application.

I moved into Costa Mesa in 1966. With the exception of a two year stay in Iowa, I have been here ever since. I lived on the west side for fourteen years and moved into the Mesa Verde neighborhood for the last 30 years. I have been a wife, a mother and now a widow. I have been a stay at home mom, an owner of a dry cleaners, a Real Estate Agent and then for the convenience to my family I went to work for the Newport Mesa Unified School district in 1985. I retired in 2012 only to return in 2013 for a 6 month assignment. I enjoyed my 27 1/2 years and am very proud to have worked for the NMUSD.

I started as a secretary for a short time then advanced to the attendance office at TeWinkle then moved over to Costa Mesa high School. For the fourteen in the attendance office I kept the daily count, completed the daily, monthly and annual attendance reports for the district to be reported to the state. All my files were audited annually and I responded when necessary to any findings. I communicated with students, staff, counselors, social services and law enforcement regularly.

From that position I advanced to the accounting position at Corona del Mar High School activities office. I collected, receipted, deposited and reported all monies collected. Money came from such sources as donations, fees, clubs, sporting events, the theater, class activities and fundraisers. I prepared all site financial reports (income statement, balance sheet, etc.) Each year my records were audited by an out side auditing firm and I responded to any and all findings.

From that position I moved to the district office for my last 4 years with the district. I worked in the budget department of fiscal services. I worked the 5000 accounts, donated funds. Any money that came from the sites or designated for the district from a donation source came across my desk. I did the deposits, budgeting and maintenance of these accounts.

I have gone through training for school attendance keeping, school financial accounting, computer programs and CIF. I have set on numerous personnel interview panels for both NMUSD and other school districts.

I now volunteer at the front desk of the Costa Mesa Senior Center one half day a week. I hope to contribute my professional experiences along with my love and caring for our seniors to help provide a safe and enjoyable setting that enriches their daily lives. I care for our seniors and feel they deserve all that we can give for the contributions that they have given in their life time.

I have been involved in Senior Housing for the last five years opening a company for Aging in Place in order to assist seniors in researching options available to them for their housing needs. Seniors have a special place in my heart and my work with them has compelled me into completing a certificate with USC Andros School of Gerontology for Home Modifications and the National Association of Homebuilders as a Certified Age in Place Specialist. I am also in the process of launching a non profit company that will work with a variety of groups that will enable seniors to stay in their homes for as long as they desire.

This passion began when I was young, living with my Grandmother and Great Grandmother where I was able to see first hand what experience and knowledge our older citizens have. It was further developed in the early 2000s when I was able to assist in taking care of six of my older relatives over a five year span where it became obvious to me that our culture has done a great disservice to our Elders.

Becoming part of our City's Senior Center will enable me to assist in this very important endeavor for our community.

I will be submitting my resume as well.

When I returned to Orange County after a long absence I was unable to find affordable senior housing in Costa Mesa so live in Newport Beach where it was available

One of the first places I felt at home was the COSTA MESA SENIOR CENTER. FOR THE PAST 18 months I have attended an ongoing group, shopped at the center thrift store used services and participated in other activities.

I see the need for improvement and changes and feel rather than become a center volunteer I would like to use my skills in a different way
My experience includes

senior program internship - County Public Social Service
volunteer class leader - Community MENTAL HEALTH
GRAND JURY member - County and Federal Gov

As a 23 year City resident I have had the pleasure and reward of serving on two committees, 3R and Charter, and found both to be very rewarding. 3R was dis-banded, and Charter is coming to a conclusion and I still wish to serve.

I run a small business and produce and analyze financial statements monthly. If allowed to serve I look forward to careful monthly review of Center financials and to being part of budget review process. I also believe that fundraising is important and would be a part of any such efforts.

My hope is that with assistance from the board the Center can return to financial stability and continue to serve the senior community in Costa Mesa.
