1. Indicate why you wish to serve on this Committee/Board. Provide any experience or qualifications you may possess that you think would be beneficial to this Committee/Board. A resume (optional) may be attached. (Note: All information contained on the resume is public information, will be distributed to the public and posted on the City's website).

At this critical juncture in Costa Mesa's history, I would like to help Costa Mesa build consensus and find the best possible outcome for the city of Costa Mesa, its employees and residents. I am currently serving as the Chair of the Pension Oversight Committee.

In my attached resume, you will find that I have many valuable experiences. I am a Finance professional who succeeded in many industries in a variety of roles: aerospace, engineering, manufacturing, distribution, environmental, television, and education; as an enrolled agent, financial analyst, accountant, manager, controller and Chief Financial Officer.

I am a motivated and adaptable innovator. I have worked as a sole proprietor, for government contractors, public companies, private companies, international companies, small companies, Fortune 100 companies, a government agency, not-for-profit 501(c)3, and am knowledgeable in the requisite tax, FASB, GASB and fund accounting practices, regulations and laws.

I look forward to bringing my skills, abilities, experiences and enthusiasm to help Costa Mesa in the Finance Advisory Committee.

I have enjoyed my past year serving on the Finance Advisory Committee and believe I not only learned a lot but contributed a lot to the committee. I submit my name for consideration for re appointment.

As President of the Board of Directors at Mesa Water District I am very familiar with long range financial planning (we achieved two AAA bond ratings: Fitch and S&P through our seven year financial plan) and scrutiny of financial data such as budgets, investment portfolios and the annual CAFR.

As a current LAFCO Commissioner I am very aware of financial trend analysis and the efficient delivery of government services to the taxpayer.

Past City of Costa Mesa involvement:

Finance Advisory Committee

10 years on 3R Committee

Approx. 6 years on Planning Commission, vice chair for a period of that time.

2 years on Parks and Recreation Commission

Graduate Citizens Police Academy

Multi year volunteer in the Neighbors for Neighbors program

As a resident of Costa Mesa for three years, I have the desire to contribute towards the success of the City. Although a fairly new resident, I anticipate residing here for many years to come and have an interest in seeing Costa Mesa succeed. Costa Mesa is a unique place in Orange County with the OC Fair, the great municipal golf course, of which I am a member of the Men's Club, and the community feeling my wife and I received when we moved into a great neighborhood. We were quickly introduced to the United Neighbors Newsletter by our neighbors and look forward to the emails as they are a great resource for Costa Mesa residents. I heard about this opportunity in the newsletter and would like to be a part of the Committee.

I am a Certified Public Accountant with the firm Mayer Hoffman McCann, P.C. Please see attached resume for further qualifications. I feel I am qualified to serve on the committee and can provide useful input into many areas of the City including, but not limited to, the annual financial audit and any management letter comments that arise, Single Audits and any compliance findings that arise, and a variety of other audits the City may face from outside auditors.

In addition, I feel my membership to this committee would contribute a unique perspective to it. Committees should come from a diversity of backgrounds, and as a CPA I believe I would be a good fit. Please consider me for this position, and should you have any questions during your selection process, please do not hesitate to contact me. Thank you.

I was born and raised in the Newport Mesa community and have lived here for 45 years . I have been a home owner in Mesa Del Mar for the past eleven years. My work experience in both the private and public sector have provided me with the experience and qualifications to benefit this Committee/Board.

My family has been utilizing the recreational services offered by the City of Costa Mesa and we have had a positive experience/relationship. Utilizing these services has helped me learn more about my community and I think my involvement in the Finance Advisory Committee provides me the opportunity to give back to the City of Costa Mesa. The financial status of the City appears to be vulnerable and I think my contributions would be beneficial. It is important for our City to be financially strong in order to attract business and families that want to live in our community.

Thank you for this opportunity!

I have served on this committee since July 2012 and am interested in continuing to serve. I am well versed in most things financially and investment related and have extensive knowledge about pension funding issues.

As a member of the committee, I was one of the members instrumental to encourage the then City Treasurer and his staff to seek professional portfolio management of city funds. This ultimately came to pass.

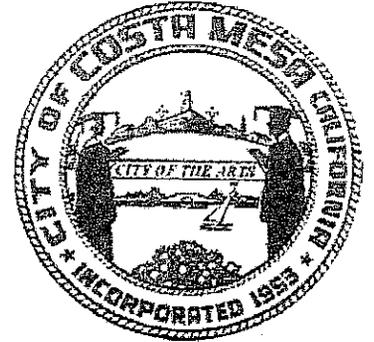

Professionally, I own a financial advisory practice with over 30 years of industry experience.

Educationally, I hold a bachelor's degree in Business Administration concentration in finance from California State University, Fullerton School of Business and Economics and am a Certified Financial Planner, having passed the examination in 2011.

I am very interested in serving on the Finance Advisory Committee for the city of Costa Mesa. I would appreciate the opportunity to give back to the community that I live adding value and assistance to the long term planning of the city's finances. I believe in open communication and the ability to problem solve as a team.

My wife and I are proud Costa Mesa homeowners. We've enjoyed our neighbors and the diverse residents that reside in the city of Costa Mesa.

I have worked in the field of finance for the last nine years. I began my career with the Capital Group Companies in Irvine in 2005. In 2007 I transitioned roles and became a personal financial advisor with Edward Jones Investments in the city of Costa Mesa. My practice continues to serve the local residents of the community with their personal long-term financial planning goals using various asset classes tailored to the clients needs.

I volunteer for the community through my participation in the Kiwanis Club of Costa Mesa. Our club is focused on bettering the lives and opportunities of the youth in the community. Over the years our club has raised tens of thousands of dollars through participation in the Costa Mesa Community Run, AYSO pancake breakfast, events at the Lou Yantorn Boys and Girls Club of Costa Mesa and numerous activities at OCC.

I look forward to the opportunity to assist the city as a member of the Finance Advisory Committee.

Respectfully,
Colin P. Smith

A resume (optional) may be attached. (Note: All information contained on the resume is public information, will be distributed to the public and posted on the City's website).

I've lived in Costa Mesa for 26 years and wish to serve on the Finance Advisory Committee because I'd like to continue contributing my time and effort to building a strong future for Costa Mesa. Over the last year and a half I've become well informed on issues facing our City, as well as more involved by attending City Council, Commission, Committee and other community meetings. Through this involvement, as well as serving on the Fairview Park Citizens Advisory Committee, I solidified my passion for participation, as well as joy in contributing my skills and experience to the discussions and work at hand.

A sound investment strategy is essential for Costa Mesa's future success. My education at the University of California honed my analytical skills and my work experience as a financial analyst at an investment bank will be useful in reviewing financial statements and assessing investment strategies. Also, my work as Director of Development for the Newport Beach Film Festival honed my leadership, listening, and collaboration skills necessary for working well in a group situation. I am hard working, data oriented and motivated to positively contribute my knowledge, skills and time.

I've closely followed the work of the Finance Advisory Committee by attending several meetings, reviewing agendas and reports including the OC LAFCO 2013 Fiscal Trend Report, business license tax information packet, and agenda report considering potential new revenue sources. To better understand Costa Mesa's financial workings as well as financial challenges, I've also read through the CAFRs for the last three years, and attended Pension Oversight Committee meetings. In broader strokes, I study both national and global economic trends, one US example being the effect of quantitative easing (and subsequent tapering) on market performance.

Since the financial health of Costa Mesa doesn't only depend on revenue and good investments, but also prudent spending habits, I've examined all available warrants for 2013, broken down expenditures by category, and prepared an analysis that I intend to compare to previous years.

To best serve residents, members of the Finance Advisory Committee should represent, as best as possible, Costa Mesa diversity and demographics. To that end I represent a female, mid-thirties contingent.

Thank you for your time and consideration.

I wish to serve on the Fairview Park Citizen's Advisory Committee Board so that I might aid in the future development considerations for the park. As a 39 year resident of the City of Costa Mesa I am committed to objectively reviewing all considerations for Fairview Park's planning and implementation of projects.

My relative knowledge and education are based in the natural sciences. I've been employed with UC Davis, studying agricultural research, CA Dept. of Food and Agriculture, and the USDA. I have studied ornamental horticulture earning a certificate in that field and maintained a CA Dept. of Pesticide Regulation Qualified Applicator Certificate with license.

I welcome your thoughtful consideration in adding me as a participant to the Board.

As an active eight year Costa Mesa resident, recreational cyclist, and public policy expert, I believe my input would be of value to this committee. Fairview Park is a community treasure, and I would love to be a part it's preservation.

Having lived in C.M. for 49 years, I have a rather deep and extensive understanding of the challenges we face balancing the environment and public access to our resources.

I have no pre set agenda, but rather an open mind and willingness to listen to both sides. More importantly, I want to help those stuck on one side or the other to open their minds in a way to resolve any differences. Something that is sorely lacking in our city and governments in general.

Thank you,
Roger Chadderdon

I have enjoyed the beauty at Fairview Park for over 40 years and wish to help preserve it for posterity. I have spoke at City Council meetings against putting in a parking lot in the lowlands that would ruin the last open space where tranquility can be found. I have worked on the city's afterschool recreation program in the early 19990's as an afterschool mobile arts instructor at every elementary school in the city. I am a member of the Orange County Wine Society volunteering at the OC Fair competition. I have been active for 10 years with my children in the YMCA Indian Princess Program whose Aim is to 'Seek and Preserve the Great Spirit's work in forest, field and stream'. I can be a good example fulfilling this Aim as a citizen advisor to the park's future.

Thank you for your consideration.

I believe that nature and open space are important to human health. I am a graduate of the United States Forest Service & Back to Natives Restoration Training Program, and a regular volunteer with the Talbert Revitalization and Restoration Project adjacent to Fairview Park. I dedicate many volunteer hours as a board member of the Banning Ranch Conservancy, a 501(c)3 organization working for the preservation of open space.

I am a 30 year old energy engineer living in Costa Mesa. I've lived here for two years, just long enough to fall in love with this city and its eclectic mix of mom and pop shops, high end retailers, families and businesses. After serving in the US Navy and moving around for most of my life, I have finally found a place that I would like to call home.

I would be honored to serve on the Fairview Park Citizens Advisory Committee. I have not lived here long enough to hold some of the biases that I've read too much about. Nor have I lived here long enough to have my judgment clouded by long standing rivalries and misunderstandings. But I have lived here long enough to know that Costa Mesans deserve a fair say in how our open spaces are used.

I am a Costa Mesa resident, living within walking distance of Fairview Park and my children attend the local Waldorf School.

As a family, we enjoy and participate in the many facets of Fairview Park - exploring the natural beauty, flying the model planes and riding the trains. We have made many friends from the park community.

I have no vested interests and as a non US-Citizen have no political affiliations. Very simply, I have some time available to look after the Park for my children and future generations.

I have served on the Walford School board for 3 years, have a PhD and am an executive in a local semiconductor company.

Costa Mesa City Council,

One of the main reasons I invested in the City of Costa Mesa and the Westside over twenty years ago, was because of it's incredible parks. The close proximity of such accessible natural parks surrounding my home is a unique and valuable feature rarely seen anymore in Orange County. Over the last half century growing up in Orange County, as the son of a farmer, I've witnessed the changes over my lifetime, that have drastically altered the landscape. When I discovered Canyon and Fairview Parks , I was reminded of the areas that we used to take for granted forty years ago. I bought my home because I wanted my children to have those same vistas, views, and open spaces that I enjoyed while growing up.

I have always been a strong advocate for not just the Westside of Costa Mesa, but the entire City, and the preservation of it's many attributes. I've served on three PTA Boards, local S.I.T.E. councils, local sports groups, and was honored to be President of a Youth Arts Organization. I've served and supported our local Churches for almost two decades. I serve as a Board member for the non-partisan Orange County League of Conservation Voters , a local advocacy group dedicated to protecting the environment, and securing sustainable and green governance. I'm a Founding Charter Member of the Orange County Fairgrounds Preservation Society, dedicated to ensure our local Fairgrounds remain in the Public Commons for generations to come.

I have followed many of the meetings of the Fairview Park Advisory Committee, either through attendance or through online publications reporting the progress. I have read the staff reports. I understand the myriad of issues currently facing the Park and I'm aware of the many concerns. I have studied the Archeological history, and read the papers from Dr. Koerper (SRS field supervisor). I've attended the Ancestral Walk Ceremonies and consulted with the local Native American Tribal Leaders. I've talked to agents from US Fish and Wildlife. I've studied the Environmentally Endangered and Sensitive Habitats areas. I've ridden the Trains with my kids.

This is an "advisory" committee. I feel with my background, strong ties with the surrounding neighborhoods, close affiliations with the nearby schools, and understanding of the ecology, I would be a good addition to this committee.

I thank you for your consideration.
Respectfully ,
Greg Ridge

I have a background in engineering and have performed transportation planning on many park projects so I am familiar with the high level of scrutiny that is necessary when implementing environmental changes. Especially with long term master planning, it is important to view a situation from all angles as to avoid unintended and potentially costly consequences.

I have lived in Costa Mesa for 10 years and serve my community in a variety of capacities and donate much of my free time to local charities. Most recently I served honorably as a member of the Costa Mesa Charter Committee, collaborating with our 13 member panel to draft the historic document.

I like to think I am a very logical and analytical person who truly cares about Costa Mesa and trust I would be a good fit for the Fairview Park Advisory Committee. I appreciate your consideration.

I have served as an active member of the Historical Preservation Committee since 2004. I feel that the Committee makes a valuable contribution to the community and am very proud of the work that the Committee has done over the past ten years. I welcome the opportunity to remain an active member of the Committee and to continue to serve the city and residents of Costa Mesa
