

PROPOSED PROJECTS FOR PROJECT W

Harbor Boulevard – Victoria Street (Bus Stop # 1195):

new trash receptacles, and two new anti-vagrant benches. Improvements to the bus shelter area are proposed to provide safe pedestrian access and connectivity to the bus system. These improvements will provide adequate clearance by relocating any obstructions to comply with ADA regulations. This effort will improve the mobility of disabled passengers.

Grant amount requested - \$30,000

Harbor Boulevard – Wilson Street (Bus Stop # 1220):

PROPOSED PROJECTS FOR PROJECT W
