RE: PETITION TO INSTALL RESIDENTIAL ONLY PERMIT PARKING

We residents on Wallace Ave. by signing this petition, do hereby declare our desire for Residential Only Parking. We wish to stop the overwhelming amount of traffic and vehicles (including work vehicles) parking on our street from other residential access from surrounding apartment complexes and employee parking from businesses located on Placentia Ave. Resident Only Parking will also stop non-residents from littering on our curbs and sidewalks, as well as prevent incidental damage to landscaping and property.
