

NEIGHBORHOOD MEETING INVITATION MEDIAN LANDSCAPING IMPROVEMENTS

April 21, 2015

Dear Resident:

The City is starting a program, as funding becomes available, to replace ornamental turf with drought tolerant landscape throughout the City, in an effort to reduce the use of potable water due to the severe drought conditions in the State of California.

In Fiscal Year 2014-2015 the City Council allocated funding to replace the turf in the existing medians on Mesa Verde Drive from east to west of Adams Avenue, and California Street at New Hampshire Avenue with drought tolerant plants.

The City of Costa Mesa Department of Public Services/Engineering Division will host a neighborhood meeting to discuss and receive input on this proposed landscape improvements. The proposed landscape plant palette is posted on the City's website under Public Notices and Latest News. If you are unable to attend the meeting, you may submit written correspondence to the attention of Fariba Fazeli, City Engineer, City of Costa Mesa, 77 Fair Drive, Costa Mesa, California 92626 or email at: fariba.fazeli@costamesaca.gov. For further information you may also contact the Engineering Division at (714) 754-5323.

The neighborhood meeting will be held as follows:
