Inasmuch as the amount of damage is extremely difficult to ascertain, the supplier agrees to compensate the City in the amount of \$100.00 per calendar day beyond the delivery date specified. This amount shall be fixed as liquidated damages that the City will suffer by reason of such delay, and not as a penalty. - 2) Environmentally Preferable Product (EPP) Report that indicates the quantity and description of products sold to the City that are considered EPP. This information may be included in the Expenditure Report.

SUBCONTRACTORS:

All subcontractors shall be approved by the City Purchasing Agent prior to working on City projects. A subcontractor is defined as a person, partnership, corporation or other entity, which enters into a contract with a contractor for performance of some or all of the City contracted work.

The Contractor shall identify subcontracted work by subcontractor name and dollar amount subcontracted on all monthly/quarterly reports. Wholly owned subsidiaries of the contractor shall not be considered as subcontractors, but the City shall be notified in advance of their usage. The Contractor shall not change any of the approved subcontractors or reduce their level of work without the City Purchasing Agent's written approval. City approval shall not be unreasonably withheld.

OFF-PEAK DELIVERY AND PICK-UP HOURS:

The City of Los Angeles requires off-peak delivery and pickup of all commodities by City suppliers between the hours of 9:00 AM and 3:30 PM, Monday through Friday, to reduce traffic and vehicle emissions during morning and afternoon commute times.
