RECOMMENDATION:

Staff recommends that the City Council:

1. Designate Tamara S. Letourneau, Assistant Chief Executive Officer and Steven Berliner, Partner, Liebert Cassidy Whitmore as the City's representatives in negotiations with the Costa Mesa City Employees Association (CMCEA).
2. Authorize staff to have the independent fiscal analysis of the current CMCEA Memorandum of Understanding (MOU) completed per the requirements of the COIN Ordinance.

BACKGROUND AND ANALYSIS:

The current Memorandum of Understanding between the City and CMCEA term of agreement expires June 30th, 2016. Per the COIN ordinance, the City Council must designate a principal representative and at least one representative on behalf of the City to represent the City in negotiations. The ordinance states that "in an effort to avoid inherent conflicts of interest, the principal representative negotiating on behalf of the city 1) shall not be an employee of the City, 2) shall not be a member of any retirement system providing a defined benefit to the member, and 3) shall have a demonstrated expertise in negotiating labor and employment agreements on behalf of municipalities.

The City Council shall designate one or more executive employees to be present during negotiations and to assist the principal negotiator as the city council and/or principal negotiator deem appropriate." Staff recommends that the City Council designate Tamara Letourneau, Assistant Chief Executive Officer and Steven Berliner, Partner, Liebert Cassidy Whitmore as the City's representatives in negotiations with the CMCEA.

Further, Section 2-237 of the COIN Ordinance requires that an independent auditor complete a fiscal analysis of the fiscal impacts of the current MOU. In addition, Section 2-237 (b) states "the report and findings of the independent auditor shall be completed and made available for review by the City Council and the public at least 30 days prior to consideration by the city council of an initial

meet and confer proposal to be presented to any recognized employee organization regarding negotiation of an amended, extended, successor, or original memorandum of understanding.” To that end, staff recommends that the City Council authorize staff to have the independent fiscal analysis of the current CMCEA MOU completed per the requirements of the COIN Ordinance.

ALTERNATIVES CONSIDERED:

An alternative is to propose other designated representatives and authorize the completion of the fiscal analysis.

FISCAL REVIEW:

The funds are budgeted in the General Fund in the Human Resources Division budget for outside legal counsel for negotiations. The cost to complete the fiscal analysis by the independent auditor is approximately \$2,500 and is budgeted in the General Fund in the Finance Department budget.

CONCLUSION:

Staff recommends that the Mayor and City Council formally approve Ms. Letourneau and Mr. Berliner to represent the City in negotiations with the CMCEA regarding a successor MOU and direct staff to have the independent fiscal analysis completed of the current CMCEA MOU.
