RECOMMENDATION:

Approve 2015 Annual Report of the 2002 adopted Costa Mesa General Plan.

ANALYSIS:

State Government Code Section 65400 requires that an annual report be made to the legislative body on the status of the General Plan and progress in its implementation, including activity towards its share of regional housing needs.

Pursuant to State law, the 2015 Annual Review of the Costa Mesa General Plan evaluates and reports to the City Council and Planning Commission the progress in implementing the previous General Plan. This will be the final review of the previous General Plan. The Planning Commission received and recommended approval of the report at a regularly scheduled meeting on August 8, 2016.
