Costa Mesa, CA 92626

Dear Mayor Mensinger and City Councilmembers,

The Building Industry Association of Southern California, Orange County Chapter (BIA/OC) is a non-profit trade association of over 1,100 companies employing over 100,000 people affiliated with the home building industry. The Orange County Chapter represents the largest member base within BIA Southern California. Our mission is to champion housing as the foundation of vibrant and sustainable communities.

As a key stakeholder in Orange County, the BIA/OC would like to thank the City for including our organization in the building code update process. The code update reflects many positive changes and conforms local code to State Law, providing clarification for our members. On behalf of our membership, we would like to express our support for Staff's recommendation that the building code be updated.

As always, we remain a resource to the City on important issues that are related to the well being of our local communities.

Sincerely,

Steven LaMotte
