Subject: Back Bay High School Portable Field Lights

Attention: Recreation Manager

I live in the condominiums on Santa Ana Avenue known as “Back Bay Village,” directly behind Back Bay High School. My back patio area and my bedroom/bath windows face the end of the field about in the center. Since I will be unable to attend the meeting at 6PM on Thursday, September 24, I wish to give my input as follows:

- 1. I have absolutely NO OBJECTION to any lights, portable or otherwise, to be used for evening ball games.**
- 2. I believe these evening activities are beneficial to our youth and the community as a whole.**
- 3. I am not bothered by the light or the noise of people getting exercise and having fun in a controlled environment such as a school yard.**
- 4. I believe lights of any sort add to the security of the neighborhood at night and will certain prevent malicious activity while they are on.**
- 5. I hope my neighbors and others in the area will feel the same.**

Thanks for letting my share my thoughts. Feel free to use my name and my input at your meeting.

Sincerely,

Laurie Lairson
