Dear Mr. Enright:

In August 2002, the Costa Mesa Planning Commission adopted a Design Awards Program to provide public recognition of exceptional public and private projects that exhibit excellence in community planning and design. The awards are selected in January and July of each year. On behalf of the Commission, I am proud to inform you that the remodel of the Armstrong Garden Center at 2123 Newport Boulevard has been selected to receive the July 2004 Design Award.

The Commission noted that the project exhibits excellence in design and site planning, which is both architecturally noteworthy and visibly attractive due to the abundant presence of plant materials. It was also noted that the project resulted in a significant improvement to a prominent location within the City and was completed quickly and with minimum disruption.

The Design Awards will be presented at the August 23, 2004 Planning Commission meeting. The meeting begins at 6:30 PM and is held in the Council Chambers of City Hall located at 77 Fair Drive. The Commission extends its invitation to you or your representative to attend the meeting to accept the award.

Should you have any questions, or to confirm your attendance, please feel free to call me at (714) 754-5610.

Sincerely,

R. MICHAEL ROBINSON, AICP
