MEETING DATE: SEPTEMBER 26, 2005

III.1.
ITEM NUMBER:

SUBJECT: AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF COSTA MESA, CALIFORNIA AMENDING TITLE 13 OF THE COSTA MESA MUNICIPAL CODE REGARDING CHURCHES/PLACES OF RELIGIOUS ASSEMBLY IN COMMERCIAL ZONES, INCIDENTAL RETAIL SALES IN INDUSTRIAL ZONES, THE MASTER PLAN REVIEW PROCESS IN PLANNED DEVELOPMENT ZONES, AND CHAIN LINK FENCING IN NON-RESIDENTIAL ZONES.

DATE: SEPTEMBER 15, 2005

FOR FURTHER INFORMATION CONTACT: KIMBERLY BRANDT, AICP, PRINCIPAL PLANNER
(714) 754-5604

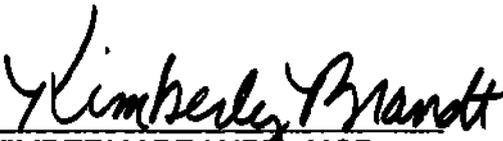

DESCRIPTION

Several amendments to the Zoning Code are proposed to accomplish the following:

1. To allow churches and other places of religious assembly as permitted uses in some commercial zones;
2. To allow incidental retail sales in conjunction with industrial businesses in industrial zones;
3. To designate the Planning Commission as the final review authority in the master plan review process; and
4. To prohibit chain link fencing in any area that is visible from a public street or alley in non-residential zones.

RECOMMENDATION

Staff proposes to withdraw this ordinance, based on Planning Commission's direction to consider each of the proposed amendments as a separate ordinance.

KIMBERLY BRANDT, AICP
Principal Planner

BACKGROUND

On August 22, 2005, Commission directed staff to consider each of these Zoning Code amendments independently. Thus, staff has prepared individual ordinances and staff reports for each of these items. Please note, that staff has proposed an alternative amendment in respect to the prohibition of chain link fencing in non-residential zones. Staff has narrowed the focus to temporary fencing on vacant property (which is typically chain link), and this amendment is to Title 20, Property Maintenance. With this alternative ordinance, chain link would remain permitted in the City's non-residential zones, provided that the applicable setbacks are met. Please see that staff report for further discussion.

ALTERNATIVES CONSIDERED:

Commission may choose to do any of the following:

1. Accept staff's proposed withdrawal of the ordinance.
2. If the Commission is interested in recommending to Council that chain link fencing be prohibited in the City's non-residential zones, the Commission may either:
 - a. Modify the proposed ordinance to only address the prohibition of chain link fencing in all of the City's non-residential zones; or
 - b. Modify the proposed ordinance to exclude non-residential properties that are developed with institutional uses (such as schools, golf courses, and the fairgrounds) from the chain link fencing prohibition. Thus the chain link fencing prohibition would be limited to commercially and industrially developed properties.
3. Recommend to Council that the City's existing municipal provisions be retained.
