DESCRIPTION

Two-year review of the development agreement executed between the City of Costa Mesa and The Irvine Company (as successor to FSP Two Town Center/Fifth Street Properties).

APPLICANT

Jason Knudson is the authorized agent for the Irvine Company.

RECOMMENDATION

Based on the evidence in the record, determine and find that the property owner has demonstrated good faith compliance with the terms and conditions of Development Agreement DA-00-04.

BACKGROUND

Pacific Arts Plaza (Formerly Two Town Center) is a 6.26 acre subarea of South Coast Plaza Town Center and is bounded by Anton Boulevard, 405 Freeway, Bristol Street and Avenue of the Arts. A vicinity map is provided as Attachment 1.

In December, 2010, the property was acquired by The Irvine Company from Maguire Properties.

The following is a list of Council actions related to execution and implementation of Development Agreement DA-00-04:

- On July 16, 2001, the Costa Mesa City Council approved Development Agreement DA-00-04 between the City and FSP Two Town Center/Fifth Street Properties. The

Agreement was approved in conjunction with a Preliminary Master Plan for South Coast Plaza Town Center and Final Environmental Impact Report No. 1047. In October 2002, Council approved the Two Town Center Master Plan, which allowed construction of an 18-story high-rise (400,000 sq. ft.) and a five-level parking structure (770 new spaces) in addition to the demolition of the South Coast Cinema Building (12,000 sq. ft.) and two-level parking structure.

- On November 8, 2004, Council took action delegating future periodic reviews to the Planning Commission and to allow formal periodic reviews to be conducted every two years. Intervening annual reviews are conducted at staff level.
- On January 16, 2007, Council approved General Plan Amendment GP-06-02 that allowed transfer of building area within the Pacific Arts Plaza sub area. Proposed new development within this sub area includes:
 1. One high-rise tower with 180 residential units at the southeastern corner of Anton Boulevard and Park Center Drive.
 2. The demolition of the existing 5-story, 67,450 square-foot bank building.

This development agreement was last reviewed by the Planning Commission on February 14, 2011.

ANALYSIS

The Agreement provides assurances to the Developer that they may proceed with development, in conformance with existing land use regulations, for a period of 20 years. In exchange for these assurances, the City realizes public benefits in the form of the creation/enhancement of a world-class performing arts district within a cohesive and pedestrian-friendly mixed-use environment as well as additional public revenues.

Section 3.5, Periodic Review, of the Agreement requires a periodic review of the Developer's performance of its obligations under the Agreement. The purpose of the periodic review is to determine whether or not the Developer has demonstrated "good faith" compliance with the Agreement's terms.

Obligations on Part of the Developer

1. Preservation of Noguchi California Scenario (on going). The Developer has provided for the preservation, maintenance, public accessibility, and validated parking for visitors of the Noguchi California Scenario. A Land Use Restriction related to these provisions will be in effect until 2050.
2. Creation and Implementation of the TAD Plan (pending). The Theater and Arts District (TAD) was approved by Council in February 2004. The TAD Plan provides consistency of theme and excellence of design for prominent aspects of the public and outdoor private spaces in the South Coast Plaza Town Center. An amendment to TAD was approved by Council on May 6, 2008, that reallocated the

funds required by TAD to be focused on a comprehensive sign program. This signage program related to development of the office building has not been implemented and is required at the time of construction of the new office building.

3. Provision of Excess Parking Capacity in TAD Plan (on going). The Developer has proposed parking provisions in the TAD Plan which would allow for the equitable use of excess parking capacity in the Two Town Center parking structures in nonbusiness hours for patrons of the performing arts venues located in the Town Center. As required by the Agreement, parking charges to the patrons of performing arts venues shall not exceed prevailing parking charges for venue event parking at other comparable facilities in Orange County. In addition, the applicant is currently providing a 50 percent discount on venue parking charges to Costa Mesa residents.
4. Provision of Traffic Improvements (completed). Environmental Impact Report No. 1047 for the South Coast Plaza Town Center required traffic improvements at Bristol Street/Sunflower Avenue and Fairview Road/South Coast Drive. The restriping work related to these traffic improvements were completed at a total cost of about \$5,000 to the Developer. These improvements were implemented in 2002. The Bristol Street/Sunflower improvement involved the conversion of a third northbound through lane to a shared through/right turn lane. At Fairview/South Coast, a second eastbound through lane was converted to a shared through/right turn lane. Other traffic improvements are to be implemented when final building permits for the Town Center Master Plan Development are issued.
5. Fulfillment of Additional Public Benefits (pending). The Developer has fulfilled an additional public benefit described in Exhibit "H" of the Agreement, by donating land for the Avenue of the Arts Freeway off-ramp. This land was appraised at more than \$1,100,000 and provided significant traffic mitigation benefits and improved access to Town Center and the surrounding area.
6. Final Master Plan Approval (pending). Approval of the Two Town Center Final Master Plan occurred in October 2002. The Final Master Plan involved the development of an 18-story, 400,000 sq. ft. office building, four-level parking structure, and demolition of the cinema building and existing two-level structure.

Because the Developer has not yet submitted building plans for construction, there are no other obligations that they need to fulfill at this time. When the plans are submitted for plan check, some remaining obligations identified in the development agreement include the following:

1. Provision of Bristol and Paularino Traffic Improvement. On a fair share basis, the Developer will provide for the addition of a second northbound left-turn lane and a second westbound left-turn lane at Bristol and Paularino. This traffic improvement is estimated to be implemented by Year 2015.

2. Provision of Park Center and Sunflower Traffic Improvement. On a fair share basis, the Developer will provide for the following traffic improvements: (1) conversion of a northbound through lane to a shared left/through lane, (2) conversion of a southbound left-turn lane to a shared left/through lane, (3) conversion of southbound through lane to a right-turn lane, and (4) implementation of split phasing for north/south direction. This traffic improvement is estimated to be implemented by Year 2015.
3. Payment of Fire Protection Impact Fee. The Developer will be responsible for payment of a fire protection impact fee (currently \$0.285 per square foot of new development). This fee is due prior to issuance of an occupancy permit for new development.

Obligations on Part of the City

In accordance with Section 2.2 of the Agreement, the City has assured that the Developer has vested rights to carry out and complete the Two Town Center Master Plan.

The City Attorney and Transportation Services have also reviewed the development agreement and concur that the Developer is in compliance with the terms of the Agreement.

ALTERNATIVES

If the Planning Commission finds the Developer is not in compliance with the Agreement's terms, evidence supporting that determination would be required.

CONCLUSION

Staff has reviewed the Agreement's terms and conditions and believes the Developer is in compliance. The Planning Commission's determination can be made by minute order.

RE: Pacific Arts Plaza – DA-00-04 2-Year Review

Dear Planning Commissioners:

This letter is to request the 2-year review of Development Agreement DA-00-04, Pacific Arts Plaza. As you are aware following our acquisition we completed an extensive reinvestment of Pacific Arts Plaza. While we are enjoying increased customer satisfaction and leasing activity we currently do not have any future development plans in our short term forecast.

Sincerely,

A handwritten signature in blue ink, appearing to read "JK", written over a light blue rectangular background.

**DEVELOPMENT AGREEMENT FOR
TWO TOWN CENTER AND DOWNEY SAVINGS**

This Development Agreement for the Two Town Center and the Downey Savings Development Properties (the "Agreement") is executed this day 27th of July, 2001, by and between the CITY OF COSTA MESA, a general law city, ("CITY"), on one hand, and FSP TWO TOWN CENTER, LLC, a Delaware limited liability company and FIFTH STREET PROPERTIES-DS, LLC, a Delaware limited liability company (collectively "OWNER") on the other hand. CITY and OWNER are individually referred to herein as a "Party" and collectively referred to herein as the "Parties".

RECITALS

A. OWNER is the fee owner of that certain real property (the "Property," defined below) on which the Two Town Center and Downey Savings Project (the "Project," defined below) is to be located, which property is more fully described in Exhibit "A" and shown on the map set forth on Exhibit "B", both attached hereto. The Property is currently developed with four (4) office buildings consisting of approximately 672,666 square feet of building area, 28,945 square feet of restaurant uses, 8,100 square feet of retail uses, 19,200 square feet of theater uses, the Noguchi California Scenario outdoor sculpture garden, surface and structure parking, and related driveway, landscaping and other improvements. OWNER desires to develop the Project as a major high-quality mixed-use office, restaurant, and retail development that requires substantial long-term planning, comprehensive design, significant investment by OWNER in public and private infrastructure, and an assurance of stable land use entitlements in order to maximize the potential for OWNER to finance and develop it. Accordingly, OWNER has requested that CITY enter into this Agreement to provide certain assurances that the Project will be permitted to proceed in accordance with and subject to the provisions set forth herein and in CITY's "Existing Land Use Regulations", CITY's "Existing Development Approvals", the Theatre and Arts District Plan ("TAD Plan") and the "Future Development Approvals" to be obtained by OWNER, all as more particularly set forth herein.

B. Pursuant to California Government Code section 65865, the CITY adopted its Resolution No. 88-53, on July 19, 1988, establishing procedures and requirements for the approval of development agreements ("CITY's Development Agreement Procedures and Requirements"). OWNER has applied to CITY pursuant to California Government Code Sections 65864-65869.5 and pursuant to said Resolution for approval of the Agreement set forth herein.

C. CITY has determined that development of the Project will provide significant benefits to the community and that the Project promotes the public health, safety, and welfare for the following reasons, among others: (i) the Project ensures the comprehensive planning of a high quality Project on the Property that will enhance the image and stature of the CITY; (ii) the Project establishes a balance of land uses that benefits various segments of the community; (iii)

the Project will generate significant public tax revenues that can be utilized to provide police, fire, recreation and other essential and important public services to the community; (iv) the Project will put the Property to productive use consistent with the objectives of CITY's General Plan; (v) the Project will provide a long-term source of employment opportunities for residents of the CITY and the surrounding region; (vi) the Project promotes the CITY's objective of creating a pedestrian-oriented restaurant and commercial retail environment along the south side of Anton Boulevard; (vii) the Project will provide enhanced public access and visibility to the Noguchi California Scenario outdoor sculpture garden, a significant public art resource in the CITY; (viii) OWNER will participate in the development and implementation of the TAD Plan; (ix) the Project will be reconfigured to accommodate the freeway off-ramp at Avenue of the Arts and to present an attractive major entry into Town Center; (x) the Project will contribute to the mitigation of traffic impacts through traffic impact fees, the construction of additional parking and improvement of access to and circulation within the Project; (xi) the Project will provide the additional public benefits listed in Exhibit "H," and (xii) the Project will generate substantial development impact fee revenue that will assist CITY and other public agencies in the financing of public improvements of benefit to the community and the region, including, without limitation, needed transportation, school, park, storm drainage, and sanitary sewer facilities. In consideration for OWNER's provision of the foregoing public benefits, and agreement with the CITY to advance the dedication of the land required to accommodate the construction of the Avenue of the Arts freeway off-ramp, pursuant to the Dedication Agreements, defined below, CITY has determined that it is appropriate to enter into this Agreement to provide assurances to OWNER that the Project will be permitted to proceed in accordance with and subject to the provisions set forth herein and in CITY's Existing Land Use Regulations, CITY's Existing Development Approvals, the TAD Plan and the Future Development Approvals to be obtained by OWNER, all as more particularly set forth herein.

D. In connection with its approval of the Project, Final Program Environmental Impact Report No. 1047 ("FEIR") was prepared by the CITY and certified by the City Council on February 5, 2001. The FEIR is a Program EIR that analyzed potential adverse environmental impacts of full buildout for the Project, in addition to the potential adverse impacts of other development in the Town Center area, including the proposed STC Project and the proposed SCA Project.

E. On November 13, 2000, the Planning Commission of CITY held a public hearing on OWNER's application for approval of this Agreement and recommended to the CITY Council of CITY that this Agreement be approved. On February 5, 2001, the CITY Council also held a public hearing on OWNER's application for approval of this Agreement.

F. In accordance with the Development Agreement Statute, CITY's Development Agreement Procedures and Requirements, and applicable law, on July 16, 2001, the CITY Council, adopted its Ordinance No. 01-6 approving this Agreement.

COVENANTS:

Based upon the foregoing Recitals, which are incorporated into this Agreement by this reference, and for good and valuable consideration, the receipt and sufficiency of which is acknowledged by both Parties, CITY and OWNER agree as follows:

1.0 DEFINITIONS AND EXHIBITS

1.1 Definitions

The following terms when used in this Agreement shall have the meanings set forth below:

(a) The term "Agreement" shall mean this Development Agreement for the Project by and between the City of Costa Mesa and OWNER, as the same may be amended from time to time.

(b) The term "CITY" shall mean the City of Costa Mesa, a municipal corporation organized and existing under the laws of the State of California.

(c) The term "Theatre and Arts District Plan" ("TAD Plan") shall mean an element of the North Costa Mesa Specific Plan applicable to the Town Center (also referred to as Subarea 4 of the North Costa Mesa Specific Plan) to be adopted by CITY as provided in Exhibit G of this Agreement and any subsequent amendments to said element. The TAD Plan will establish a set of parameters to promote compatibility of theme and excellence of design for prominent aspects of the public places in the Town Center to promote the area as a cultural arts district. The plan may include, but is not limited to, voluntary common design guidelines and mandatory standards regarding pedestrian and vehicular streetscapes, lighting, public art, street furniture, signage, landscaping, pedestrian and vehicular circulation, view linkage and other components. Entry and monument signs, display banners and other signs identifying the Theatre and Arts District shall conform to the regulations in the TAD Plan. The name of the Theatre and Arts District shall prominently include the name of the City. The TAD Plan will also discuss the enhanced amenities treatment of the public streets in the Town Center, an estimated cost for implementing these amenities, and alternative funding mechanisms to pay for installing and maintaining these amenities. The TAD Plan will also contain regulations addressing the hours of operation, access by the public, and parking fee restrictions for the parking structures in the Town Center to ensure the availability of sufficient parking for patrons of the cultural arts facilities in the Town Center. The TAD Plan will recognize OWNER's need to have available sufficient parking for OWNER's tenants and their invitees. Persons who are residents of the City of Costa Mesa attending a cultural arts venue during evenings (after 6 p.m.), on weekends or on holidays shall be provided a discount of fifty percent (50%) off the price for parking otherwise applicable to the general public attending such cultural arts venue at the following parking structures: (i) the existing parking structure adjacent to the California Scenario sculpture garden and (ii) the two proposed parking structures to be constructed south of Anton Boulevard and

west of Park Center Drive, adjacent to proposed Building H. In accordance with the provisions of Section 2.3.1, the provisions of the TAD Plan are not intended to change or replace the covenants agreed to in this Agreement for the development of the Project. Subject to the provisions of Exhibit "G", Paragraph D, all references in this Agreement to compliance with (or the effect of) the TAD Plan shall mean compliance (or effect) from and after the date the TAD Plan is adopted by the CITY (subject to the provisions of Section 2.3.1).

(d) The term "CITY's Development Agreement Procedures and Requirements" means the CITY Resolution No. 88-53 adopted on July 19, 1988 titled "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF COSTA MESA, CALIFORNIA, ESTABLISHING PROCEDURES AND REQUIREMENTS FOR CONSIDERATION OF DEVELOPMENT AGREEMENTS."

(e) The term "Dedication Agreements" shall mean the agreement entered into by and between Fifth Street Properties, LLC, a Delaware limited liability company, and CITY dated as of January 3, 2000 and recorded as Document No. 20000057842 in the Official Records of County Recorder of the County of Orange ("Dedication Agreement No. 1"), and the agreement entered into by and between the same parties dated as of April 3, 2000 and recorded as Document No. 20000182744 in the Official Records of County Recorder of the County of Orange ("Dedication Agreement No. 2").

(f) The term "Development Agreement Statute" shall mean Article 2.5 (commencing with Section 65864) of Chapter 4 of Division 1 of Title 7 of the California Government Code.

(g) The terms "Development," "development" and "develop" mean the improvement of the Property for the purposes of completing the structures, improvements and facilities comprising the Project including, but not limited to: grading; the construction of infrastructure and public facilities related to the Project whether located within or outside the Property; the construction, demolition, reconstruction and redevelopment of buildings and structures; and the installation of landscaping.

(h) The term "Development Approvals" means all land use, zoning and building permits and entitlements subject to approval or issuance by CITY in connection with Development of the Project, including, but not limited to:

- Parcel maps and/or lot line adjustments;
- Conditional use permits, final development permits and variances;
- Parking approvals and variances
- Zoning changes;
- Preliminary and/or Final Master Plan approvals or amendments;
- Grading and building permits;
- Demolition permits; and
- Occupancy permits for new buildings.

(i) The term "Development Exaction" means any requirement of CITY in connection with or pursuant to any Land Use Regulation, the TAD Plan or Development Approval for the dedication of land, the construction of public improvements or public facilities, or the payment of fees in order to lessen, offset, mitigate or compensate for the impacts of development on the environment or other public interests.

(j) The term "Effective Date" means the later of: (i) 12:01 a.m. on the thirty-first (31st) day following the City Council's adoption of its ordinance approving this Agreement, subject to the provisions of the California Elections Code relating to referendum petitions, or (ii) satisfaction of the condition precedent set forth in Section 2.1.1(1) relating to the written consent and subordination requirement for the holder(s) of all deeds of trust and/or mortgages encumbering any portion of the Property.

(k) The term "Existing Development Approvals" means all of the Development Approvals for the Project approved or issued on or before the date of execution of this Agreement by both parties. Existing Development Approvals include Development Approvals listed in Exhibit "C" attached hereto and incorporated herein by this reference.

(l) The term "Existing Land Use Regulations" means all of CITY's Land Use Regulations in effect as of the date that the City Council adopts an ordinance approving this Agreement. The Existing Land Use Regulations are listed on Exhibit "D" and incorporated herein by reference.

(m) The term "FAR" or "Floor Area Ratio" means the gross floor area of all buildings within a project divided by the project lot area. Gross floor area is the total building area of all floors within the walls of all structures except elevator and other vertical shafts (including stairwells) and elevator equipment areas. Parking structures are not considered building area for purposes of calculating Floor Area Ratio. Project lot area is the total area of a project excluding all required dedications or reservations for public improvements, including but not limited to streets, parks, schools, flood control channels; provided, however, that in accordance with the provisions of the Dedication Agreements, as referenced in Section 2.2.17 and defined herein, and the provisions of this Agreement, the Project lot area to be used for FAR calculations shall include the area of any portions of the Property which have been dedicated or conveyed to the CITY, to the California Department of Transportation ("Caltrans"), or to any other public agency after January 25, 2000 for public use, street or highway purposes in connection with the ongoing public works project to improve the 405 Freeway and State Route 55 or in connection with the improvement of Park Center Drive on the Property in the event that this private street is dedicated to and accepted by the City as a public street.

(n) The term "Future Development Approvals" means Development Approvals, including any amendments or modifications thereto, required or requested subsequent to the date of execution of this Agreement by both parties in connection with the Development of the Property in accordance with the Existing Land Use Regulations. Some of the Project's Development Approvals are listed in Exhibit "E" attached hereto and incorporated herein by this reference.

(o) The term "Land Use Regulations" means all ordinances, resolutions, codes, rules, regulations and official policies of CITY governing land use development and building construction, including, without limitation: the permitted use of land; the density or intensity of use; subdivision requirements; the maximum height and size of proposed buildings; Development Exactions; regulations regarding the rate, time or sequence of development; and the design, improvement and construction standards and specifications applicable to the Development of the Property.

(p) The term "Mortgagee" means a mortgagee of a mortgage, a beneficiary under a deed of trust or any other secured lender, and their successors and assigns.

(q) The term "OWNER" shall collectively mean FSP Two Town Center, LLC, a Delaware limited liability company, and Fifth Street Properties-DS, I.L.C., a Delaware limited liability company, and their successors and assigns, as referred to in Section 3.12 of this Agreement.

(r) The term "Program EIR" means an Environmental Impact Report prepared on a series of actions that can be characterized as one large project consistent with the provisions of section 15168 of the Guidelines (Title 14 Cal. Code Regs. §15000 et. seq.) for the California Environmental Quality Act.

(s) The term "Property" means the real property legally described in Exhibit "A" and depicted on the map set forth in Exhibit "B," both attached hereto, on which the Project structures are proposed to be located.

(t) The term "Project" or "TIC Project" means the demolition of the existing theater and some of the existing restaurant and retail uses on the Property and the construction of two (2) new office buildings totaling 400,000 square feet of office uses (in the aggregate), 20,600 square feet of replacement of restaurant uses, two new parking structures, the reconfiguration and revision of the existing surface parking, circulation improvements and landscaping.

(u) The term "SCA Project" means the proposed development of the Segerstrom Center for the Arts property by the Orange County Performing Arts Center, which includes, among other things, construction of a symphony hall and a museum/arts academy, the expansion of the Orange County Performing Arts Center and the expansion of the South Coast Repertory Theater.

(v) The term "STC Project" means the proposed development of the real property located at (1) the southeast corner of the intersection of Bristol Street and Sunflower Avenue with a new 339,025 square foot office building and related parking structure, which in conjunction with the STC Project owner's demolition to occur of other office space in the Town Center will result in a net additional 255,000 square feet of new office space; and (2) the northeast corner of the intersection of Bristol Street and Anton Boulevard with a 186 room hotel consisting of 186,000 square feet.

(w) The term "Subsequent Land Use Regulations" means any Land Use Regulations adopted and effective after the Effective Date of this Agreement.

(x) The term "Town Center" means the area bounded on the south by Interstate 405, on the west by Bristol Street, on the north by Sunflower Avenue and on the east by Avenue of the Arts.

(y) The term "Trip Budget" means the maximum number of AM and PM peak hour trips allocated to a project site. The Trip Budget is derived by multiplying the project area by the allowable Floor Area Ratio and by the AM and PM peak hour trip generation rates for the applicable land use classification.

(z) The term "Party" shall refer singularly to CITY or OWNER and collectively to CITY and OWNER.

(aa) The term "Reservations of Authority" shall have the meaning ascribed in Section 2.3 of this Agreement.

2.0 AGREEMENT AND ASSURANCES

2.1 Agreement and Assurances on the Part of OWNER

From and after the Effective Date, OWNER, in accordance with its sound business judgment, agrees to work towards development of the Project in accordance with the Existing Land Use Regulations, the Existing Development Approvals, its obligations regarding the TAD Plan (subject to the provisions of Section 2.3.1), and the Future Development Approvals to be obtained pursuant hereto. Not by way of limitation of the foregoing, in connection with development of the Project, OWNER shall, subject to the provisions of this Agreement, comply

with all conditions imposed by CITY on the Existing Development Approvals, all applicable requirements of the TAD Plan (subject to the provisions of Section 2.3.1), and all valid conditions consistent with this Agreement that CITY may impose on the Future Development Approvals.

OWNER represents that it intends to pursue development of the Project in accordance with this Agreement with reasonable diligence as it deems appropriate in its sound business judgment and consistent with its business goals. In this regard, it is understood that OWNER's development of the Property and each element thereof depends upon a number of factors including, but not necessarily limited to, development and finalization of site plans and building programs, market demand and supply, the availability of financing, interest rates, and other conditions outside of OWNER's control. Accordingly, nothing in this Agreement shall be construed as requiring OWNER to develop the Property or the Project, or any phase of the Project, and any failure to develop the Property or the Project shall not be deemed a default by OWNER of its obligations set forth in this Agreement. OWNER intends to develop the Property as a single, integrated development project, that each phase of the Project will be dependent upon the completion and occupancy of each other phase, and that the viability of each phase of the Project will be dependent upon Developer completing and occupying the other phases of the Project in accordance with this Agreement.

In addition to the foregoing, OWNER covenants as follows:

2.1.1 Public Benefits.

As consideration for entering into this Agreement, CITY has received and will receive from OWNER numerous public benefits. In order to provide the CITY with assurance of these public benefits, OWNER hereby agrees as follows:

- (1) FSP Two Town Center, LLC ("FSP") represents that it owns the property on which the Noguchi California Scenario, an outdoor sculpture garden (the "Garden," more particularly described in Exhibit F) is located. FSP shall provide for the preservation, maintenance and the public accessibility of the Garden in accordance with the provisions of Declaration of Land Use Restrictions in the form attached hereto as Exhibit "F" (the "Declaration of Land Use Restrictions"), which shall be executed and recorded with the Orange County Clerk-Recorder within ten (10) days of the Effective Date and prior to the issuance of any building permits for the construction of the new office buildings in the Project. FSP further agrees to perform each and all of its Declaration of Land Use Restriction obligations on a timely basis and these obligations shall continue to be binding for as long as the Declaration of Land Use Restrictions remains in full force and effect.

Notwithstanding any provision of this Agreement to the contrary (except as set forth in Sections 3.7 and 3.28), neither OWNER nor the CITY shall have any rights and obligations under this Development Agreement (or any portion thereof, including, without limitation, under the Declaration of Land Use Restrictions) unless and until the holder(s) of all deeds of trusts and/or mortgages encumbering all or any portion of the Property shall, within 180 days of the date hereof, both (i) consent in writing to the execution and delivery of this Development Agreement by OWNER and (ii) execute a commercially reasonable subordination agreement, in a form approved by the City Attorney, which approval shall not be unreasonably withheld, subordinating the lien of such holder's deed of trust or mortgage to the provisions of this Development Agreement and the Declaration of Land Use Restrictions. OWNER agrees that no building permit shall issue and no Project construction shall occur on the Property pursuant to the approvals issued by the CITY on February 5, 2001 unless OWNER has obtained the lender consent and subordination addressed herein within said 180 day period, or such additional time period as the parties may agree upon. If such consent and subordination is not obtained as required herein, all rights and obligations of each party herein shall be null and void and this Agreement shall be a nullity on the 181st day following the execution of this Agreement, except that OWNER's agreement that absent such consent and subordination no building permit shall issue and no construction shall occur pursuant to the February 5, 2001 approvals, shall become effective upon execution of this Agreement and shall survive the termination of the Agreement. In the event of such termination, OWNER shall be required to apply for and obtain new Development Approvals in place of the February 5, 2001 approvals, in order to develop the Project on the Property.

- (2) OWNER shall participate in the creation and implementation of the TAD Plan in accordance with and subject to the provisions of Exhibit "G" attached hereto.
- (3) OWNER shall make available for use in the TAD Plan, its nonbusiness hours excess parking capacity in its parking structures on the Property in order to allow the TAD Plan to equitably use such excess parking capacity, in conjunction with the TAD Plan's use of parking facilities owned by others in the Town Center, by patrons of the performing arts venues located within Town Center.

OWNER's current business hours generally extend from 8:00 a.m. through 7:00 p.m. during weekdays and from 8:00 a.m. through 1:00 p.m. on Saturdays. The parties acknowledge that OWNER's current business hours may change in the future consistent with the practices of other first class office projects in Orange County. OWNER shall determine in good faith its excess parking capacity during nonbusiness hours, taking into account (and giving priority to) the needs of OWNER's tenants (and such tenants' business visitors), as the same shall change from time to time. OWNER shall not be required under the TAD Plan to regulate or permit use by performing venue and public art patrons of the Property's parking facilities during the normal business hours of the Property, as the same may exist from time to time. Parking charges charged to patrons of the performing arts venues for such parking use shall not exceed prevailing parking charges for venue event parking at comparable venue facilities in Orange County; provided, however, subject to presentation of reasonable evidence of such residence (and parking use for attendance at the performing arts venue), OWNER shall provide a fifty percent (50%) discount on such venue parking charges to residents of the City of Costa Mesa.

The parties acknowledge that Section 1.2 of the Declaration of Land Use Restrictions separately establishes OWNER's obligations to provide public access and parking for visitors to the Garden.

Nothing in this Agreement shall impair the applicability of the CITY's agglomerated parking program described in ZE-81-207 and any modification thereof to the Property and its parking facilities.

- (4) Environmental Impact Report No. 1047 ("EIR"), prepared in conjunction with the STC project, details specific traffic improvements at four intersections located in the CITY, as identified on Exhibit "K" hereto, that will be necessary to mitigate potentially significant impacts of the STC, SCA and TTC projects. These impacts are anticipated to occur as these projects reach certain levels of development. OWNER shall pay its fair share (among the owners of the STC Project, TTC Project and SCA Project), relative to traffic impacts generated by each project at each individual intersection, of the total cost for such mitigation when CITY causes the mitigation to be done.

- (5) The Project is subject to a CITY Fire Protection Impact Fee Program which requires payment by OWNER of \$0.285/square foot of new development. The fee is calculated on gross floor area and is due prior to issuance of an occupancy permit for new development.
- (6) In addition the development of the Project pursuant to this Agreement shall result in the additional public benefits described in Exhibit "H" attached hereto.
- (7) OWNER shall work diligently, in accordance with and subject to Exhibit "G" with the other ownership entities within Town Center to develop a method for financing all public improvements that may be required by the TAD Plan, including but not limited to design, construction, installation and maintenance of such improvements.
- (8) Notwithstanding any other provision of this Agreement, should a final decision of a court acting within its area of jurisdiction determine that any Project approval issued by the CITY was improperly issued, the CITY shall be entitled to impose such additional conditions and mitigation measures which the CITY, in the reasonable exercise of its discretion, determines are appropriate to insure proper issuance of the challenged Project approval and shall otherwise be authorized to comply with any lawful order issued by the court. Except as otherwise provided by law, CITY shall use reasonable efforts to insure that such new conditions or compliance requirements are consistent with the terms of this Agreement. If OWNER, in its sole discretion, determines that any of the proposed new conditions or compliance requirements are unacceptable it may elect to withdraw the challenged Project application.

2.2 Agreement and Assurances on the Part of CITY

CITY hereby agrees that commencing on the Effective Date, and continuing during the entire remaining term of this Agreement, OWNER shall have the vested right to carry out and complete the Project in accordance with the express provisions of this Agreement, the Existing Land Use Regulations, the Existing Development Approvals, the obligations of the OWNER under this Agreement with respect to the TAD Plan and once the same have been obtained, the Future Development Approvals, to the full extent permitted by the Development Agreement Statute. Nothing in this Agreement shall provide OWNER with any rights, vested or otherwise, relating to any project other than the Project. In furtherance of such agreement and assurance,

and pursuant to the authority and provisions set forth in the Development Agreement Statute, CITY further hereby agrees and acknowledges as follows:

2.2.1 General

The uses permitted hereunder, the density and intensity of development, the maximum height and size of buildings, and all other matters affecting land use and development of the Project shall be as set forth in the express provisions of this Agreement and the Existing Land Use Regulations, the Existing Development Approvals, the TAD Plan and, once the same have been obtained, the Future Development Approvals. In addition, OWNER'S applications for Future Development Approvals shall be reviewed pursuant to the provisions of the CITY's Existing Land Use Regulations and the TAD Plan with the exception that the applicable notice and appeal, reconsideration and review provisions shall be those in existence at the time of any appeal, request for reconsideration or review, or required notice.

2.2.2 Phasing and Allocation of Square Footage Between the Two New Office Projects.

The CITY acknowledges that it is OWNER's intention that (A) two new office buildings (the "New Office Building(s)") be developed as the primary new additions of commercial space for the Project, (B) essentially all of the new restaurant and retail space to be developed hereunder will simply be in replacement of existing restaurant and retail space in the Property which will be eliminated hereunder, (C) approximately 265,000 square feet of the new office space represented by the addition of the two New Office Buildings assumes closure and demolition of the existing cinema/theater facility in the Property (at least in terms of calculation of PM Trips) (the "Existing Theater"), and (D) although the addition of approximately 400,000 square feet of new office space in the Property may be created through construction of two new office buildings, the precise dimensions, floorplate and overall size of each such office structure has not been finalized.

(a) In connection therewith, OWNER presently intends to seek project approvals of CITY in approximately three phases as follows:

(1) Phase 1, consisting of the first New Office Building (which may include demolition of existing restaurant and retail space and the incorporation in the new improvements of replacement restaurant and retail space) and a parking facility providing additional new parking capacity sufficient to provide parking in accordance with the parking standards in the existing Land Use Regulations. Such first New Office Building shall contain not less than eighty-five thousand (85,000) square feet of office space, and shall contain not more than three hundred thousand (300,000) square feet of office space.

(2) Phase 2, consisting of the reconfiguration of the existing parking structure within the Property. Subject to planning review by CITY, Phase 2 may be commenced

concurrently with, following, or prior to commencement of construction of Phase 1, as determined by OWNER in its sole and absolute discretion; and

(3) Phase 3, consisting of development of the second New Office Building and a new parking facility (in addition to then-existing parking facilities) in the Property (if and to the extent the then existing parking facilities do not contain a sufficient number of parking spaces such that following completion of the Second Office Building there shall be parking spaces available in accordance with existing CITY parking requirements). It is OWNER's intent that such second New Office Building shall contain an amount of commercial office space which, when aggregated with the size of the first New Office Building, shall not exceed 400,000 square feet of commercial office space in the two New Office Buildings. Development of Phase 3 may require demolition and/or incorporation into the new improvements of the existing restaurants and retail space specifically identified as such on Exhibit "J" attached hereto ("Existing Restaurants and Retail"). In addition, to the extent the same is not incorporated into Phase 1, Phase 3 may include the development of up to 28,945 square feet of replacement restaurant space and up to 8,100 square feet of replacement retail space.

(b) Subject to the height limitations and overall size limitations set forth in subparagraphs (ii)(a)(1) and (3) above, OWNER shall be permitted to seek approval for the allocation of the 400,000 square feet of new commercial office space anticipated to be created with the New Office Buildings between the first New Office Building and the second New Office Building in such proportions as OWNER shall select; provided, however, that in connection with development of the same, OWNER shall comply with all conditions imposed by CITY on the Existing Development Approvals and all valid conditions consistent with this Agreement that CITY may impose on the Future Development Approvals.

(c) OWNER may apply for a reduction in the required parking ratios in accordance with the provisions of Section 13-89.5 of the City's Municipal Code. In no event shall OWNER be required to provide parking capacity in excess of that required pursuant to the parking standards in City's Existing Land Use Regulations.

2.2.3 CITY's Consideration and Approval of Requested Changes in the Project

CITY acknowledges that the OWNER may in the future desire to change or modify the precise location, configuration, size and height of the proposed buildings and develop a mix of proposed uses after the Effective Date of this Agreement based upon more precise planning, changes in market demand, changes in development occurring in the vicinity, and similar factors. In such event, CITY shall cooperate with OWNER to expeditiously review and take final action on such requested changes in accordance with CITY's Existing Land Use Regulations and the TAD Plan. OWNER reserves the right to reduce the densities and intensities of uses and the heights and sizes of buildings below the maximums permitted by this Agreement. In no event, however, shall OWNER have the right hereunder to increase the density, intensity or

uses in the Project without fully complying with procedures in the Land Use Regulations and TAD Plan in effect at such time as the request/application to increase the density, intensity or uses is processed with the CITY. No change to the Project which is consistent with the Existing Land Use Regulations and the TAD Plan shall require an amendment of this Agreement and, in the event any change in the Project proposed by OWNER is approved by the CITY, the references in this Agreement to the Project or applicable portion thereof shall be deemed to refer to the Project as so changed. In addition, the parties intend that if parcelization of the Property is authorized and approved under the Subdivision Map Act and the Existing Land Use Regulations, such parcelization may occur without any additional Development Exactions, beyond those contemplated by this Agreement and the Existing Land Use Regulations, other than processing fees.

2.2.4 Timing of Development

The Parties acknowledge that the most efficient and economic development of the Project depends upon numerous factors such as market orientation and demand, interest rates, competition, and similar factors. Accordingly, except as expressly provided in this Agreement, the timing, sequencing, and phasing of development shall be as determined by OWNER in its sole subjective business judgment and discretion unless it is a condition to a discretionary decision for a Future Development Approval or a Project change to which the OWNER consents. Not by way of limitation of the foregoing, the Parties acknowledge and agree that no moratorium, initiative, ordinance, resolution, or other land use regulation or limitation which is adopted after the Effective Date of this Agreement and which directly or indirectly relates to the conditioning, rate, timing, or sequencing of development of the Project, shall apply to or govern the development of the Project during the term hereof, whether any such regulation or limitation affects or applies to parcel or subdivision maps (whether tentative, vesting tentative, or final), building permits, occupancy permits, or any other licenses, permits, or entitlements to use issued or granted by CITY.

2.2.5 Reservations and Dedication of Land for Public Purposes

In recognition of the significant contributions and dedications by OWNER, as provided in the Dedication Agreements, OWNER shall not be required to dedicate, convey, or transfer any interest in land or to construct or install public improvements or facilities in conjunction with the Project, except (i) as expressly provided for in the Existing Development Approvals, (ii) as expressly set forth in the provisions of this Agreement, or (iii) as authorized by Existing Land Use Regulations in conjunction with the processing of Future Development Approvals. The provisions of this Section 2.2.5 are not intended to preclude the CITY's ability to require minor additional dedications and exactions such as curb cuts, turn pockets, interior streets, and signalization of intersections reasonably necessitated by the impacts of the development of the Project or the Property, in connection with Future Development Approvals as presently authorized by the Existing Land Use Regulations.

2.2.6 Development Exactions.

Except as otherwise expressly set forth in this Agreement and as authorized under the Existing Development Approvals, CITY shall not impose Development Exactions in conjunction with OWNER's development of the Property or the Project, excepting only those Development Exactions which are authorized by the Existing Land Use Regulations; provided, however, that the foregoing limitation on Development Exactions does not apply to (i) generally applicable processing, plan check, building permit, and inspection fees for the Project (it being understood that, as to such fees, OWNER shall pay the same fees that would be applicable in the absence of this Agreement), or (ii) any Development Exaction that is imposed, levied, collected, or required by any public agency, utility, district, or joint powers authority, including but not limited to the San Joaquin Hills Transportation Corridor Agency, Newport-Mesa Unified School District, Costa Mesa Sanitary District, and Mesa Consolidated Water District

2.2.7 FAR and Trip Budget.

The Project is a development proposal within the Town Center. The Town Center is considered to be a project under single ownership or control at the time of the initial plan submittal and approval. Thus, under CITY zoning code sections 13-68 and 13-69, the FAR and trip budget shall be determined on the Town Center as a whole, rather than on a parcel by parcel basis. The Project, although part of the same CEQA process as the STC Project and the SCA Project, shall be considered a separate project for purposes of determining FAR and trip budget. The FAR and trip budget for the Project shall be provided in attached Exhibit "I".

2.2.8 Future Environmental Review.

The potential environmental impacts of the Project were analyzed in the Program FEIR. Future Development Approvals will be reviewed in light of the Program FEIR to determine if any additional environmental documentation will be required. The determination will be made consistent with the applicable provisions of CEQA and the State CEQA Guidelines.

2.2.9 Other Governmental Permits.

Provided that OWNER pays the actual cost of such cooperation, as reasonably estimated by CITY, after CITY has approved the development of any portion of the Project, CITY shall cooperate with OWNER in its efforts to obtain such additional permits and approvals as may be required by any other governmental or quasi-governmental agencies having jurisdiction over such portion of the Project which permits and approvals are consistent with CITY's approval(s) and which are consistent with this Agreement. CITY does not warrant or represent that any other governmental or quasi-governmental permits or approvals will be granted. As provided for in the Dedication Agreements, CITY will work cooperatively with OWNER to seek an operational modification from Caltrans for a revised circulation pattern for the new Avenue of the Arts off-ramp to provide a left turn lane and entrance from the off-ramp

into the existing parking structure on the Property, as shown in the Revised Circulation Alternative exhibit to the Dedication Agreements.

2.2.10 CITY Review of Applications for Future Development Approvals.

CITY acknowledges and represents that the Future Development Approvals listed in Exhibit "E" are a non-exhaustive list of discretionary CITY development and building approvals that OWNER is required to obtain in order to complete the development of the Project. All subsequent consideration by CITY of OWNER'S applications for Future Development Approvals for the Project shall be subject to the terms and conditions set forth in this Agreement.

To the extent permitted by the Development Agreement Statute, in no event shall CITY disapprove, condition, or delay the processing of any applications for any Future Development Approval for reasons inconsistent with the Existing Land Use Regulations, the Existing Development Approvals, the TAD Plan or the express provisions of this Agreement. If CITY is unable to timely process any of OWNER'S applications for Future Development Approvals, upon OWNER'S request CITY shall consider engaging qualified outside consultants reasonably acceptable to OWNER to aid in such processing, provided that OWNER shall be required to advance all charges to be incurred by CITY for such outside consultants. In this regard, OWNER, in timely manner, will provide CITY with all documents, applications, plans and other information necessary for CITY to carry out its obligations hereunder and will cause OWNER'S planners, engineers, and all other consultants to submit in a timely manner all required materials and documents therefor.

2.2.11 Vested Rights to Future Development.

After the date that CITY approves an application for a Future Development Approval, OWNER shall have the vested right to develop pursuant to said Future Development Approval, the Existing Development Approvals, the Existing Land Use Regulations and the TAD Plan to the same extent that OWNER has the vested right to develop pursuant to the Existing Development Approvals.

2.2.12 Traffic Impact Fee.

From the Effective Date through the term of this Agreement, the CITY traffic impact fee for the Project shall be as follows: (a) from the Effective Date through the fifth anniversary of the Effective Date, the traffic impact fee shall be the sum of One Hundred Ninety-Five Dollars (\$195.00) per average daily trip ("ADT"), with the ADT to be calculated and credits against the fee to be determined, if applicable, in accordance with the CITY'S Existing Land Use Regulations; (b) from the day after the fifth anniversary of the Effective Date through the tenth anniversary of the Effective Date, the traffic impact fee shall be the lesser of Two Hundred Dollars (\$200.00) per ADT or the actual traffic impact fee that would be payable at the time in the absence of this Agreement; and (c) from the day after the tenth anniversary of the Effective

Date through the remaining term of this Agreement, the traffic impact fee shall be the amount that would be payable at the time in the absence of this Agreement.

2.2.13 Tentative Subdivision and Parcel Maps.

Subject to the provisions of Section 2.2.3, with respect to applications by OWNER for tentative subdivision and parcel maps for portions of the Property, CITY agrees that OWNER may file and process vesting tentative maps in accordance with Chapter 4.5 (commencing with Section 66498.1) of Division 2 of Title 7 of the California Government Code and the applicable provisions of CITY's subdivision ordinance. If final maps are not recorded for the entire Property before such tentative map(s) (whether or not any such tentative map is a vesting tentative map) would otherwise expire, the term of such tentative map(s) automatically shall be extended for the term of this Agreement.

2.2.14 Subject to Dedication Agreements.

Nothing in this Agreement shall be construed to modify the obligations of the PARTIES as set forth in the Dedication Agreements. If there is any conflict between the Dedication Agreements and this Agreement, the provisions of the Dedication Agreements shall govern.

2.3 Reservation of Authority

Notwithstanding anything to the contrary set forth in this Agreement, the following laws, ordinances, regulations, resolutions, plans, standards and official policies adopted or approved after the Effective Date of this Agreement shall apply to and govern development of the Project (collectively, the "Reservations of Authority"):

2.3.1 Theater and Arts District Plan.

The TAD Plan which will be adopted for the purposes described in Section 1.1(c) for the Town Center in order to establish a compatible theme and architectural features to promote and accentuate the area as a world-class cultural arts center for the City of Costa Mesa and Orange County community; provided, however, that notwithstanding any provision of this Agreement to the contrary:

- (i) the financial obligations of the OWNER under the TAD Plan for (A) TAD Plan preparation costs by the City shall not exceed the sum of \$50,000.00, and (B) funding TAD Plan public improvements shall not exceed \$1,300,000.00, in accordance with the provisions of Exhibit "G;"
- (ii) the TAD Plan shall not be applied to the Property in a manner inconsistent with the limitations set forth in Section 2.1.1 (3) hereof;

- (iii) the TAD Plan shall not limit the use, location, height, size, floor area, density or intensity of the Project on the Property permitted by Section 2.2 of this Agreement;
- (iv) In lieu of any other Development Exactions being imposed under the TAD Plan, at the time OWNER applies for issuance of a building permit(s) by CITY for construction of the first 85,000 square feet of its Project, OWNER shall pay to CITY the sum of \$200,000.00 for use by the CITY for TAD Plan purposes in the Town Center; following such \$200,000.00 payment, no other Development Exactions shall be imposed under the TAD Plan.

Subject to the remaining provisions of this Section 2.3.1 and Exhibit G, Paragraph D, (i) any Project building for which a building permit has not been issued shall be subject to all elements of the TAD Plan (including all amendments of the TAD Plan) applicable to such building which are adopted prior to issuance of the building permit for such building, and (ii) following issuance of a building permit for a building on the Property, all elements of the TAD Plan thereafter adopted shall not be applicable to such building, other than to the extent the TAD Plan would be applicable to such building if this Development Agreement were not then in effect.

2.3.2 Processing Fees.

Generally applicable processing fees for the CITY's actual cost as may be reasonably estimated by CITY for processing applications for Development Approvals.

2.3.3 Consistent Future CITY Regulations.

CITY ordinances, resolutions, regulations, and official policies governing development and building which are in furtherance of and not in conflict with this Agreement, the Existing Development Approvals, the Existing Land Use Regulations, and the TAD Plan (consistent with the provisions of Section 2.3.1) shall apply to the Property and the Project.

2.3.4 Overriding State and Federal Laws and Regulations.

State and federal laws and regulations which are adopted or approved after the Effective Date of this Agreement which override OWNER's vested rights set forth in this Agreement shall apply to the Property and the Project, together with any CITY land use ordinances, resolutions, regulations, and official policies which are adopted or approved after the Effective Date of this Agreement and which are necessary to enable CITY to comply with such overriding State and federal laws and regulations, provided, however, that (a) OWNER does not waive its right to challenge or contest the validity of any such future State, federal, or local laws, regulations, ordinances, resolutions, or official policies, on their face or as applied to the Property and the Project; and (b) in the event that any such State or federal law or regulation (and/or any valid CITY ordinance, resolution, regulation, or official policy undertaken pursuant

thereto) prevents or precludes compliance with one or more provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such overriding State, federal or local law, regulation, resolution, or official policy and this Agreement shall remain in full force and effect to the extent that it is not inconsistent with such overriding law, regulation, resolution or official policy and that performance of the remaining provisions of this Agreement would not be inconsistent with the intent and purposes of this Agreement. OWNER or CITY shall have the right to challenge, by appropriate judicial proceedings any such new law or regulation preventing compliance with the terms of this Agreement or the modification or suspension of this Agreement. In the event that such challenge is successful, this Agreement shall remain unmodified and in full force and effect.

2.3.5 Public Health and Safety.

Future CITY ordinances, resolutions, regulations and official policies which are reasonably necessary to protect the persons on the Property or in the immediate community, or both, from conditions dangerous to their health or safety, or both.

2.3.6 Updated Uniform Codes.

Provisions of the building standards set forth in the California Building Standards Code in effect in the CITY at the time of the issuance of the building permit for a building or structure shall apply to the Property and the Project, including any valid local modifications to the State standards in effect at such time, including without limitation the applicable provisions of the Uniform Building Code, Uniform Plumbing Code, Uniform Mechanical Code, National Electrical Code, and Uniform Fire Code.

2.3.7 Public Works Improvement Standards.

To the extent OWNER is constructing or installing public works or facilities, the standards in effect for such public works or facilities at the time of CITY's issuance of a permit, license, or other authorization for construction or installation of same.

2.3.8 Assessment District and/or Community Facilities District.

The provisions of any benefit assessment district, community facilities district, business improvement district, or similar financing district that is validly formed pursuant to applicable law and made applicable to the Property and similarly situated property; provided, however, that OWNER does not hereby consent to the formation of any such district or to the imposition of any benefit assessment, special tax, fee, or charge against OWNER or the Property with respect thereto, and OWNER expressly reserves all of its legal rights with respect to the formation of any such district and the imposition of any assessment, special tax, fee, or charge against OWNER or the Property, including without limitation such rights to object and protest that would exist in the absence of this Agreement.

2.3.9 Regulations In Conflict.

Any regulations not set forth in this Section 2.3 which are in conflict with the Project provided OWNER has given written consent to the application of such regulations to development of the Property.

3.0 GENERAL PROVISIONS

3.1 Effective Date of Agreement.

Subject to the applicable provisions of the California Elections Code relating to referendum petitions, this Agreement shall be effective on the Effective Date.

3.2 Duration of Agreement.

This Agreement shall be operative commencing on the Effective Date and continue thereafter until the date that is twenty (20) years after the Effective Date, unless otherwise extended by the Parties, subject to earlier termination upon the completion, performance, and discharge of all obligations hereunder. In this regard, at the request of OWNER, the term of this Agreement shall expire as to any separate legal parcel comprising the Property on the later of the following dates: (i) the date on which CITY issues its final certificate of occupancy or final inspection permitting occupancy of the completed building improvements for the development authorized by this Agreement or (ii) such later date or dates on which the initial tenants or occupants of the completed building improvements commence occupancy of the premises. Upon termination of this Agreement as to the Property as a whole or any separate legal parcel, each Party agrees to cooperate with the other in executing such document in recordable form as may be reasonably requested by the other Party to (i) memorialize said termination and (ii) remove this Agreement as a matter affecting title to the Property or such legal parcel on a title report, commitment or policy issued by any reputable title insurer. OWNER shall pay CITY's reasonable costs for preparation and review of such documents, including attorney fees incurred by CITY in such review and preparation. Notwithstanding the foregoing, subject to the provisions of 2.1.1(1), the term of the Declaration of Special Land Use Restrictions shall be as set forth in Exhibit "F".

3.3 Binding Effect of Agreement.

The Property is hereby made subject to this Agreement. Development of the Project on the Property is hereby authorized and shall be carried out in accordance with the terms of this Agreement.

3.4 Ownership of Property.

OWNER represents and covenants that it is the fee owner of the Property.

3.5 Periodic Review.

The periodic review described in Resolution No. 88-53 is applicable to this Agreement. In no event shall CITY's failure to conduct or complete a periodic review of OWNER's performance result in a termination or modification of OWNER's rights hereunder or constitute breach by the CITY of this Agreement.

3.6 Defaults and Remedies

3.6.1 Notice and Opportunity to Cure

Before this Agreement may be terminated or action may be taken to obtain judicial relief, the Party seeking relief ("Nondefaulting Party") shall comply with the notice and cure provisions of this Section 3.6.1. The Nondefaulting Party in its discretion may elect to declare a default under this Agreement in accordance with the procedures hereinafter set forth for any failure or breach of the other Party (the "Defaulting Party") to perform any material duty or obligation of the Defaulting Party in accordance with the terms of this Agreement. However, the Nondefaulting Party must provide written notice to the Defaulting Party setting forth the nature of the breach or failure. The Defaulting Party shall be deemed in "default" of its obligations set forth in this Agreement if said breach or failure can be cured, but the Defaulting Party has failed to take such actions and cure such default within ten (10) days after the date of such notice (for monetary defaults) or within thirty (30) days after the date of such notice (for non-monetary defaults). If, however, a non-monetary default cannot be cured within such thirty (30) day period, but can be cured in twenty-four (24) months, as long as the Defaulting Party does each of the following: (i) notifies the Nondefaulting Party in writing with a reasonable explanation as to the reasons the asserted default is not curable within the thirty (30) day period; (ii) notifies the Nondefaulting Party in writing of the Defaulting Party's reasonable, proposed course of action to cure the default, subject to the reasonable approval of the Nondefaulting Party; (iii) promptly commences to cure the default within the thirty (30) day period; (iv) makes periodic reports every three (3) months to the Nondefaulting Party as to the progress of the program of cure; and (v) diligently prosecutes such cure to completion; then in such event the Defaulting Party shall not be deemed in breach of this Agreement.

3.6.2 Default Remedies

Subject to the foregoing, in the event of an uncured default, the Nondefaulting Party, at its option, may institute legal action to cure, correct, or remedy such default, to enjoin any threatened or attempted violation or to enforce the terms of this Agreement by specific performance or other equitable remedies. In no event shall monetary damages of any kind be available as a remedy for breach of this Agreement. In addition, in the event of an uncured material default by OWNER, CITY reserves its available remedies under the Development Agreement Statute and CITY's Development Agreement Procedures and Requirements to amend or terminate this Agreement; provided, however, that OWNER does not hereby consent to any unilateral amendments to this Agreement that increase or materially alter OWNER's obligations

hereunder (or violate Sections 2.1.1(3) and 2.3.1) or that are not limited in purpose and effect to measures needed to cure or remedy the particular default in question. The remedies set forth in this Section 3.6.2 shall be the exclusive remedies of the PARTIES hereto with respect to this Agreement.

3.6.3 No Cross-Defaults

In the event that this Agreement is assigned by OWNER in connection with a sale or transfer of a portion of the Property to an entity in which OWNER has no interest and a default subsequently occurs with respect any part of the Property so transferred or sold, such default shall not be considered a default as to any non-transferred, remaining Property and the CITY shall not be entitled to any equitable remedies with respect to the non-defaulted portion of the Property or the owner of said Property or to enforce or terminate this Agreement with respect thereto. Notwithstanding the foregoing, the CITY shall be entitled to all equitable remedies with respect to the nondefaulted portion of the Property and owner of said Property to enforce or terminate this Agreement with respect to any default which existed on such nondefaulted portion prior to the sale by OWNER.

3.6.4 Force Majeure

Neither party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, other Acts of God, fires, wars, riots or similar hostilities, or other cause, without fault and beyond the reasonable control of such Party. If any such events shall occur, the time for performance by either party of any of its obligations hereunder shall be extended by the parties for the period of time that such events prevented such performance.

3.7 Cooperation in the Event of Legal Challenge

In the event of any legal action instituted by a third party, including without limitation any other governmental entity or official, challenging the validity of this Agreement or any Development Approval granted pursuant to this Agreement, the parties agree to cooperate fully with each other in defending such action (including any actions reasonably requested to mitigate the impact of such action); provided, however, that OWNER shall indemnify and hold the CITY harmless from any judgment, cost and/or expenses related thereto, including but not limited to any attorney fees and expert consultant and witness costs, reasonably incurred by CITY in the defense of such action. Subject to Section 2.1.1(1) herein and any other provision of this Agreement, this Section 3.7 shall become effective and binding upon execution of this Agreement by all Parties hereto.

3.8 Mortgagee Rights

3.8.1 Encumbrances on the Property

The Parties hereto agree that this Agreement shall not prevent or limit OWNER, in any manner, at OWNER's sole and absolute discretion, from encumbering the Property or any portion thereof or any improvements thereon with any mortgage, deed of trust, sale and leaseback, or other form of secured financing ("Mortgage") with respect to the construction, development, use, or operation of the Project.

3.8.2 Mortgagee Protection

To the extent legally permissible, this Agreement shall be superior and senior to any lien placed upon the Property, or any portion thereof, including the lien of any Mortgage. Notwithstanding the foregoing, no breach of this Agreement shall defeat, render invalid, diminish, or impair the lien of any Mortgage made in good faith and for value. Any acquisition or acceptance of title or any right or interest in or with respect to the Property or any portion thereof by the holder of a Mortgage (a "Mortgagee"), pursuant to foreclosure, trustee's sale, deed in lieu of foreclosure, lease termination or otherwise, shall be subject to all of the terms and conditions of this Agreement and any such Mortgagee who takes title to the Property or any portion thereof shall be entitled to the benefits arising under this Agreement provided Mortgagee complies with Section 3.8.3 below.

3.8.3 Mortgagee Not Obligated

Notwithstanding the provisions of this Section 3.8, Mortgagee will not have any obligation or duty pursuant to the terms set forth in this Agreement to perform the obligations of OWNER or other affirmative covenants of OWNER hereunder, or to guarantee such performance, except that the Mortgagee shall have no vested right to develop the Project without fully complying with the terms of this Agreement and executing and delivering to CITY in a form and with terms reasonably acceptable to CITY an assumption agreement of OWNER's obligations hereunder.

3.8.4 Notice of Default to Mortgagee; Right of Mortgagee to Cure

Each Mortgagee shall, upon written request to CITY, be entitled to receive written notice from CITY of the results of the periodic review conducted pursuant to Section 3.5, and of any default by OWNER of its obligations set forth in this Agreement. CITY shall, within ten (10) days of sending the notice of default to OWNER, provide a copy of such notice to each Mortgagee who has submitted a written request to CITY for a copy of such notice.

3.9 Notices

3.9.1 Notices Include

As used in this Agreement, "notice" includes, but is not limited to, the communication of notice, request, demand, approval, statement, report, acceptance, consent, waiver, appointment or other communication required or permitted hereunder.

3.9.2 Form of Notice

All notices shall be in writing and shall be considered given either: (i) when delivered in person to the recipient named below; (ii) on the date of delivery or refusal shown on the return receipt, after deposit in the United States mail in a sealed envelope as either registered or certified mail with return receipt requested, and postage and postal charges prepaid, and addressed to the recipient named below; (iii) on the date of delivery or refusal, when delivered by Federal Express or other commercial express delivery services providing acknowledgements of receipt; (iv) on the date of delivery when delivered by facsimile providing verification of delivery and receipt; or (v) on the date of delivery shown in the records of the telegraph company after transmission by telegraph to the recipient named below. Such notices or communications shall be given to the Parties at their addresses set forth below:

If to CITY: City of Costa Mesa

Los Angeles, CA 90071-2371
Attn: Patrick A. Ramsey, Esq.

3.9.3 Changes In Noticed Parties

Either party may, by notice given at any time, require subsequent notices to be given to another person or entity, whether a party or an officer or representative of a party, or to a different address, or both. Notices given before actual receipt of notice of change shall not be invalidated by the change.

3.10 Severability

If any term, provision, covenant, or condition set forth in this Agreement is held by the final judgment of a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions, covenants, and conditions shall continue in full force and effect to the extent that the basic intent of the Parties as expressed herein can be accomplished. In addition, in such event the Parties shall cooperate in good faith in an effort to amend or modify this Agreement in a manner such that the purpose of the invalidated or voided provision, covenant, and condition can be accomplished to the maximum extent legally permissible; provided, however, that in no event shall either Party be required to agree to an amendment or modification of this Agreement that materially adversely impacts its rights or materially increases its obligations or risks as set forth herein.

3.11 Time of Essence

Time is of the essence in the performance of each provision of this Agreement as to which there is a time element.

3.12 Successors and Assigns

The provisions of this Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective successors and assigns. To the extent of OWNER's (and its successors and assigns) interest in the Property, the covenants of OWNER set forth in this Agreement shall be covenants running with the land and enforceable to the full extent permitted by applicable law.

Nothing set forth in this Agreement shall prohibit OWNER from selling, leasing, subleasing, or otherwise transferring all or any portion of the Property together with a transfer or assignment of all of the rights and obligations of this Agreement as they apply to such portion of the Property, and CITY's approval or consent shall not be required in connection therewith. Upon the effective date of any such sale, lease, sublease, or other transfer, the seller, lessor, sublessor, or other transferor automatically shall be released from any executory obligations to

CITY hereunder with respect to the portion of the Property so sold, leased, subleased, or transferred; provided, however, that unless CITY releases the seller, lessor, sublessor, or other transferor in writing, it shall remain responsible to CITY for performance of any obligations as to which it was in default as of the effective date of the transfer.

3.13 Effect of Termination on Title

OWNER and CITY agree that if this Agreement terminates as to any portion of the Property, it shall not thereafter continue as an obligation that applies to such portion of the Property.

3.14 Parties in Interest

This Agreement and all of its terms, conditions, and provisions are entered into only for the benefit of the Parties executing this Agreement (and their respective successors in interest), and not for the benefit of any other individual or entity. No other person shall have any right of action based upon any provision of this Agreement.

3.15 Further Actions and Instruments

Each Party shall cooperate with and provide reasonable assistance to the other Party to the extent necessary to implement this Agreement. Upon the request of either Party at any time, the other Party shall promptly execute, with acknowledgment or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary to implement this Agreement or to evidence or consummate the transactions contemplated by this Agreement. OWNER shall pay CITY's reasonable costs, including attorney fees, incurred in complying with this Section 3.15.

3.16 Estoppel Certificates

Either Party hereunder may, at any time, but in no event exceeding six (6) times during any calendar year, deliver written notice to the other Party requesting such Party to certify in writing that, to the best knowledge of the certifying Party, (i) this Agreement is in full force and effect and a binding obligation of the Parties, (ii) this Agreement has not been amended or modified, or if so amended, identifying the amendments, and (iii) the requesting Party is not in default in the performance of its obligations set forth in this Agreement or, if in default, to describe therein the nature and amount of any such defaults. A Party receiving a request hereunder shall execute and return such certificate within a reasonable time following the receipt thereof. OWNER shall pay CITY's reasonable costs, including attorney fees, incurred in complying with this Section.

3.17 Recordation

No later than ten (10) days after the Effective Date of this Agreement, the CITY Clerk shall record a copy of this Agreement in the Official Records of the Recorder's Office of Orange County and furnish a copy bearing the recording information to OWNER.

3.18 Section Headings

All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

3.19 Rules of Construction

As used herein, the singular of any word includes the plural and the masculine gender includes the feminine.

3.20 Mutual Covenants

The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the party benefited thereby of the covenants to be performed hereunder by such benefited party.

3.21 Releases

CITY hereby covenants and agrees that upon completion of the Project as provided under this Agreement, or any portion thereof, at the request of OWNER, CITY shall execute and deliver to the Orange County Recorder an appropriate release of OWNER of further obligations under this Agreement, for the portion of the completed Project. OWNER shall pay CITY's reasonable costs, including attorney fees, incurred in complying with this Section.

3.22 Applicable Law

This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed in interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

3.23 Project as a Private Undertaking

It is understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the

terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between CITY and OWNER is that of a government entity regulating the development of private property and the OWNER of such property.

3.24 Approvals, Reasonableness

Except when this Agreement specifically authorizes a Party to withhold its approval or consent in its sole and absolute discretion, when either CITY or OWNER shall require the approval or consent of the other Party in fulfilling any covenant, provision, or condition set forth herein, such approval or consent shall not be unreasonably withheld, conditioned, or delayed by the Party from whom such approval or consent is sought. Any approval authority provided in this Agreement to the CITY's Development Services Director or to the CITY'S Planning Commission shall be subject to the CITY's normal appeals process.

3.25 Amendments and Waivers

No modification or amendment of this Agreement or any of the provisions hereof shall be effective for any purpose unless set forth in a writing signed by duly authorized representatives of both Parties. No waiver of any provision of this Agreement shall be effective unless in writing and signed by a duly authorized representative of the Party against whom enforcement of a waiver is sought. No waiver of any right or remedy in respect to any occurrence or event shall be deemed a waiver of any right or remedy in respect to any other or subsequent occurrence or event.

3.26 Authority to Execute

The persons executing this Agreement warrant and represent that they have the authority to execute this Agreement and represent that they have the authority to bind the Parties for which they are signing to the performance of the obligations hereunder.

3.27 Entire Agreement

This Agreement (including the Exhibits hereto) constitutes the entire understanding and agreement of the Parties and supersedes all previous negotiations, discussions and agreement between the Parties with respect to all or part of the subject matter hereof. No parol evidence shall be permitted to contradict or vary the terms of this Agreement.

3.28 Litigation Expenses

In any judicial proceeding or arbitration between the Parties (collectively, "Action") in any way connected with or arising out of the terms and provisions of this Agreement, the prevailing Party in such Action shall be awarded all of its reasonable costs and expenses (whether or not the same would be recoverable pursuant to Code of Civil Procedure §§ 1033.5 or 1717 in the absence of this Agreement), including but not limited to expert witness fees, attorney

fees, and costs of investigation and preparation prior to the commencement of the Action. The right to recover such costs and expenses shall accrue upon commencement of the Action, regardless of whether the Action is prosecuted to a final judgment or decision. Notwithstanding Section 2.1.1(1) herein and any other provision of this Agreement, this Section 3.28 shall become effective and binding upon execution of this Agreement by all Parties hereto.

3.29 Separation of the Parcels

In the event that in the future the owner of either Downey Savings Property or the owner of the Two Town Center Property, each as shown on Exhibit "B" attached hereto, desires to sever its property from the other property or create a separate development parcel according to the Existing Land Use Regulations, such owner may propose to CITY allocations of the development rights authorized pursuant to this Agreement and allocations of OWNER's financial and other obligations under this Agreement. The proposed allocations shall be subject to approval of the City Planning Commission, which approval shall not be unreasonably withheld, after a noticed, public hearing.

IN WITNESS WHEREOF, each of the Parties has executed this Agreement on the date first above written

EXHIBIT "A"

LEGAL DESCRIPTION OF THE PROPERTY

TWO TOWN CENTER DEVELOPMENT PROPERTY

That certain real property located in the City of Costa Mesa, County of Orange, State of California and more particularly described as follows:

Parcel 1:

Parcel 1, in the City of Costa Mesa, County of Orange, State of California, as per map recorded in Book 137 pages 5 and 6 of Parcel Maps, in the office of the county recorder of said county.

Parcel 2:

Parcel 2, in the City of Costa Mesa, County of Orange, State of California, as per Map recorded in Book 98 pages 7 and 8 of Parcel Maps, in the office of the county recorder of said county.

Parcel 3:

An exclusive easement for ingress, egress and surface use together with the right to pave over or construct buildings or other permanent structures upon the land described as follows:

That portion of the land allotted to James McFadden in degree of partition of the Rancho Santiago De Santa Ana, recorded in Book "B" of judgments of the 17th Judicial District Court of California, in the County of Orange, State of California, being a strip of land of varying width lying contiguous to and westerly of that certain Parcel deeded to Orange County Flood Control District as recorded in Book 1950 Page 109 of Official Records, that is more specifically described as follows:

Beginning at the Southwest corner of said Parcel; thence northerly along the west line of said Parcel to the Northwest corner, said corner being on the center line of Sunflower Avenue; thence north 89E 57' 37" West, 5.00 feet along said center line; thence south 0E 30' 35" East, 1313.92 feet to a point; thence south 0E 04' 04" West 878.62 feet; thence south 10E 06' 15" West, 20.62 Feet; thence South 0E 04' 04" West 450.00 feet; thence South 89E 40' 20" East, 10.00 feet to the point of beginning.

Excepting therefrom that portion lying northerly of a line that is parallel with and southerly 53 feet from the center line, and its easterly prolongation, of Anton Boulevard, as said centerline is described in a deed recorded in Book 7474, Page 592 of Official Records.

Also excepting therefrom that portion lying southerly of a line that is 720.00 feet southerly of said center line, measured along and being normal to the reference line of a strip of land described in the deed recorded in Book 1950, Page 109 of Official Records.

Parcel 4:

An exclusive easement for ingress, egress and surface use together with the right to pave over or construct buildings or other permanent structures upon the land described as follows:

That portion of the land allotted to James McFadden in Decree of Partition of the Rancho Santiago de Santa Ana, recorded in Book "B" of Judgments of the 17th Judicial District Court of California, in the County of Orange, State of California, being a strip of land 55 feet in width being 35 feet westerly and 20 feet easterly of the following described line:

Beginning at a point in the center line of Sunflower Ave., distant thereon South 89E 56' 50" East, 937.06 feet from a 3/4 inch iron pipe marking the intersection thereof with the center line of Bristol Street, and running thence South 0E 26' 50" East 1313.74 feet to a point; thence from said point South 0E 07' 50" West 1347.9 feet, more or less, to a point in the northerly line of block "D" of Berry Tract, as per Book 9 Page 6, miscellaneous records of Los Angeles County, California, distant easterly along said northerly line, 0.28 feet from the northwest corner of Lot 1 in Block "D" and westerly along said northerly line, 527.83 feet from an axle marking the Northwest corner of Lot 4, of Berry Rancho as shown by survey in Book 7 Page 35, Records of Orange County, California.

Except therefrom that portion lying northerly of a line that is parallel with and southerly 53.00 feet from the center line, and its easterly prolongation, of Anton Boulevard, as said center line is described in a deed recorded in Book 7474, Page 592 of Official Records.

Also excepting therefrom that portion lying southerly of a line that is 720.00 feet southerly of said center line, measured along and being normal to the reference line of a strip of land described in the deed recorded in Book 1950 Page 109 of Official Records.

Parcel 5:

An exclusive easement for ingress, egress and surface use together with the right to pave over or construct buildings or other permanent structures upon the land described as follows:

That portion of the land allotted to James McFadden in Decree of Partition of the Rancho Santiago de Santa Ana, recorded in Book "B" of Judgments of the 17th Judicial District Court of California, in the County of Orange, State of California, described as follows:

A strip of land of varying width lying contiguous to and easterly of that certain parcel deeded to Orange County Flood Control District as recorded in Book 1950 Page 109 of Official Records, Orange County, that is more specifically described as follows:

Beginning at the southeast corner of said parcel, thence northerly along the east line of said parcel to the northeast corner, said corner being on the centerline of Sunflower Avenue, thence south 82° 57' 37" east 10.00 feet along said centerline; thence south 0E 30' 35" east 313.62 feet to a point; thence south 0E 4' 04" west 879.04 feet; thence south 13E 58' 05" east 20.62 feet; thence south 0E 04' 04" west 450.00 feet; thence north 89E 40' 20" west 15.00 feet to the point of beginning.

Except any portion thereof not included within the land described in the deeds to Roy K. Sakioka and wife, recorded January 16, 1957 in Book 3771 Pages 158 and 159 of Official Records.

Also except therefrom that portion lying northerly of a line that is parallel with and southerly 53.00 feet from the center line, and its easterly prolongation, of Anton Boulevard, as said center line is described in a deed recorded in Book 7474 Page 592 of Official Records.

Also except therefrom that portion lying southerly of a line that is 720.00 feet southerly of said center line, measured along and being normal to the reference line of a strip of land described in the deed recorded in Book 1950 Page 109 of Official Records.

DOWNEY SAVINGS DEVELOPMENT PROPERTY

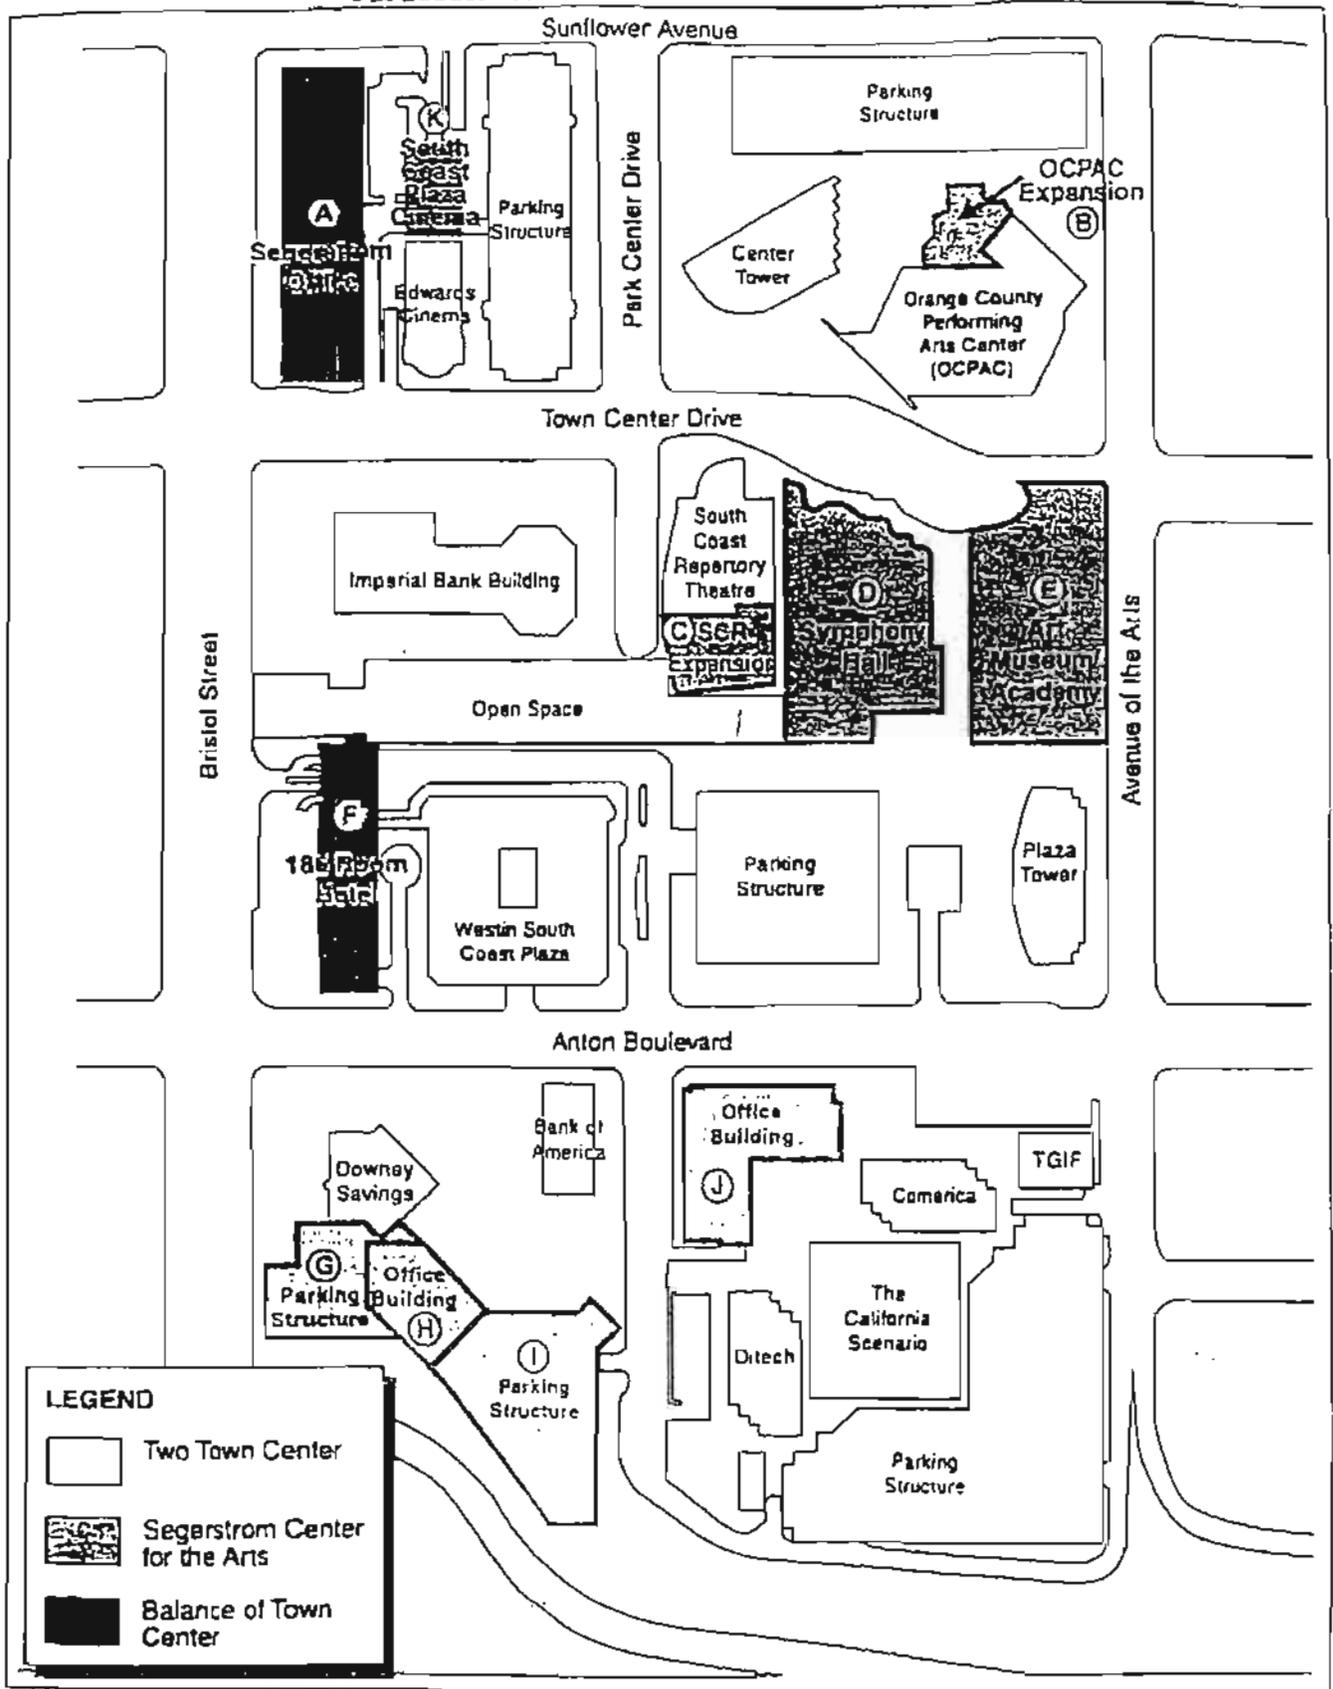

Parcel 1, in the city of Costa Mesa, County of Orange, state of California, as shown on a map filed in book 98, pages 7 and 8 of parcel maps, in the office of the county recorder of said county.

Excepting therefrom those portions of said parcel 1 described in the deeds to the city of Costa Mesa recorded April 1, 1992 as instrument no. 92-202527, official records and recorded June 16, 1992 as instrument no. 92-404965, official records.

Also excepting all oil, gas, hydrocarbon, mineral and mineral rights in and under the premises, with the right to explore therefor, sell, lease and remove the same, but without right of entry therefor upon the surface, or within the upper 500 feet measured vertically downward from the natural surface, as reserved in the deed from south coast plaza, a California partnership, recorded June 15, 1977 in book 12243, page 808 of official records.
