Jim,
I am honored to be considered and energized to see the positive mood change in the Mission/Mendoza, Coolidge/Fillmore community. People are standing up to offer help to enhance their own neighborhoods and communication is open.
I will get to work on this first thing next week and send you what you request.
Thanks again.

Mike,

I would like to nominate your efforts to improve Costa Mesa neighborhoods for a PC Design Award.

Although skeptical at first, you sold me on the vision and it is time to celebrate the achievement.

I will fill out the form, but please let me know if you have a report, or can give some highlights? I also understand a Costa Mesa minute video is or will be available.

Please send me some simple stuff so I can process the nomination. Then we will bring you back and let you present the stuff when we give the award.

Also, please think about anyone else that you would like to include.

Maybe the Paint Store that discounted to solve a community improvement?

Or some of the property owners?

Thanks for making it happen, look forward to seeing you soon

Cheers,

Jim Fitzpatrick
