**Description:** The proposed project at 2880 Mesa Verde Drive East involves the following:

- 1) Adoption of an **Initial Study/Negative Declaration (IS/ND)**;
- 2) **Rezone R-14-05** - A Rezone (or change) of the zoning classification of 2-acre site from I&R (Institutional and Recreational) to R1 (Single Family Residential District) (8 dwelling units per acre maximum allowed);
- 3) **Planning Application PA-14-48** – A Design Review for the development of a 10-unit, two-story, single-family residential development (5 dwelling units per acre proposed). The units would take access from a 40-foot wide private street from Mesa Verde Drive East. R1 lot sizes range from 8,712 sq. ft. to 6,902 sq. ft., excluding the private street (minimum 6,000 sq. ft. required);
- 4) **Tentative Tract Map TT-17824** – Subdivision of the property into 10 fee simple lots for homeownership.

**Environmental Determination:** The City of Costa Mesa proposes to adopt a Negative Declaration for the Project. The Initial Study/Negative Declaration was available for review and comment from March 27, 2015 to April 25, 2015. It was extended for public review and comment for a period of 20 days from June 11, 2015, to July 1, 2015 due to the amended project description which did not change the mitigation measures (none) environmental conclusions of the analysis. The Negative Declaration is based on the finding that, through compliance with the Standard Conditions of Approval and Code Requirements, the environmental effects from the project would be less than significant. The reasons to support such a finding are documented by an Initial Study prepared by the City of Costa Mesa.

**Public Comments:** A copy of the application can be viewed on the City's webpage [www.costamesaca.gov](http://www.costamesaca.gov) under the Development Services Department/Planning Division heading 72 hours prior to the hearing date.
