

Purpose of Mesa Green Award:

To encourage green design and practice, in 2010, the Planning Commission added the Mesa Green Design Award to recognize exceptional “green” projects. The Mesa Green Design Award is presented as projects are nominated throughout the year. The most recent recipients of the awards include:

2013

- Solar and Electric Vehicle Permit Process
- Sea House Residential Development
- Beach House Imports (1884 Placentia Ave)

2012

- Greenleaf Gourmet Chopshop

2011

- “Green Up Our Schools” Program
- Waldof School of Orange County Campus Expansion Project
- Joann Street Bike Trail

2010

- Costa Mesa Pop Warner Field
- South Coast Collection
