

Orange County Organic Gardening Club

7:00 p.m. Tuesday May 14, 2019

“Your Dirt is Killing Your Plants”

Gary Matsuoka of Laguna Hills Nursery will explain why compost is the absolute worst medium for growing plants. He will explain what real soil is, how it works, and how to fix the plants you get from other growers.

Where: The Silo Building at Centennial Farm in the Orange County Fairgrounds, 88 Fair Drive, Costa Mesa. Enter at the main gate on Fair Drive, turn left and park near the Silo Building.

When: Tuesday, May 14th. Refreshments at 7:00 p.m., program at 7:30 p.m.

Cost: Free
