- (1) - Cost of contract per item based on Calendar Year 2012 Compensation Report.
- (2) - Based on contract proposal dated 6-18-13, includes 5% pay reduction, 1.949% PERS contribution toward employee portion of PERS rate, and 3.111% PERS contribution toward increase of employer rate for FY 13-14.
- (3) - Amounts from PERS Valuation for Miscellaneous Employees dated October 2012 - including non-CMCEA represented employees.
- (4) - 5.25% rate per employee is not explicit in the contract, however is calculated based on the Annual Required Contribution (ARC) amount as calculated as of June 30, 2012 by Nyhart, an independent actuary for GASB 45 compliance, and documented in the City's CAFR. Unfunded amount is a proportional share (based on budgeted payroll) of the current total unfunded liability amount of \$36.4 million.
- (5) - Overtime amount is not explicit in the contract, however is estimated based on historical actual costs incurred by City.
- (6) - Payoff - Cashout is not explicit in contract, however is estimated based on historical actual cost incurred by City. Amount could include payoff of accrued hours upon separation.
- (7) - Total Number of Employees includes total amount included in the numbers above that column as well as total authorized by City Council as part of the annual budget process. The difference between the two are authorized vacant/unfilled positions at the time of the report.
