SECTION 6. With exception of the City Manager, a pay-for-performance evaluation and compensation system will be utilized for all employees in executive job classifications. All compensation increases for executives will be based upon continued meritorious service to the City. Though the City Manager may receive labor marketplace salary adjustments, annual performance evaluations for this position will be conducted in the fall of each year by the City Council.

SECTION 7. The Fire Chief and Police Chief are eligible to participate in the Management Certification/Education Program based upon the following achievements and criteria:

<u>Certification/ Degree</u>	<u>Eligible Classification</u>	<u>Award</u>

An award may be granted, rejected or removed at any time. The City Manager may review and update this program on a periodic basis to ensure its vitality and relevance.

SECTION 8. The City shall contribute an amount toward the executive flexible benefit plan bucket for the payment of premiums for affected employees and dependents based upon the following criteria:

20+	212	320

Vacation Leave Cash-Outs – Each fiscal year, employees will have the following cash-out options: 1) One eighty (80) hour cash-out any time during the fiscal year, regardless of the employee’s maximum accrual and regardless of the employee’s Vacation Leave usage; and, 2) Up to four cash-outs per fiscal year, any time during the fiscal year (irrespective of quarter), based on a “2 for 1” usage ratio, up to a maximum of 80-hours for each cash out. For example, if an employee uses 10 hours of Vacation Leave, the employee could cash out up to 20 hours of Vacation Leave; in order for an employee to cash-out the maximum of 80-hours Vacation Leave, the employee would need to use 40 hours of Vacation Leave.

All employees who are at the Maximum Accrual Level or who may reach the Maximum Accrual Level shall utilize the “Cash-Out” and/or “Vacation Leave” options so as to NOT exceed the Vacation Accrual Ceiling. Other than exceptions granted based upon City and/or Departmental needs as approved by the City Manager, there will no other cash-out of Vacation Leave time beyond the Maximum Accrual rates that have been established.

SECTION 10. Effective December 24, 2017, the City shall grant Executive Leave to management personnel not to exceed forty (40) hours per year. The City Manager may grant an additional sixty (60) hours of Executive Leave.

SECTION 11. Pursuant to the Executive Professional Development Reimbursement Program, the City agrees to reimburse Department Directors up to \$2,000 per fiscal year for activities, materials, equipment or fees that will aid in their individual professional development. The intent of this program is to encourage and recognize executive staff for pursuing educational, professional or community-oriented activities, enhancing job skills and expertise, and/or purchasing materials/equipment, which improve the executive’s performance. These activities, materials, equipment or fees are intended to be beyond what is budgeted for individuals through the annual budget cycle. The reimbursement options available include the following:

- Professional memberships, licenses and certificates that are job-related
- Professional conferences that are job-related including fees and other expenses while attending

- Membership dues in community organizations relevant to the executive's job assignment
- Purchase of job-related professional journals, periodicals, books or other written materials which further knowledge or improvement of effectiveness in performance of duties
- Education fees that exceed the City's annual \$1,250 tuition reimbursement limit
- Direct purchase of qualifying computer equipment defined in Administrative Regulation 2.29

The Assistant City Manager must approve participation in the activities and/or purchase of the materials/equipment in advance. Claims for reimbursement must be accompanied by documentation that an eligible expense has been incurred during the fiscal year for the executive employee only. Any portion of the reimbursement amount not incurred within the fiscal year shall remain City funds unless prior approval has been received by the City Manager. Requests to carry forward unencumbered amounts to the next fiscal year must receive approval by the City Manager prior to the end of the fiscal year. All payments will be in the form of reimbursement and no executive employee will directly receive cash for this benefit. Reimbursements, which are subject to taxation, will be processed through the payroll system. The Finance Department shall administer this program in accordance to the stated purpose and will provide the appropriate forms and procedures. This reimbursement program does not prohibit individual departments from continuing to budget funds for executive staff attendance at professional conferences and seminars, for the payment of professional membership dues, and/or for the purchase of books, journals and written materials that are job-related and will enhance an executive's knowledge or expertise.

SECTION 12. The 401(a) deferred compensation plan provides executives with another tax-deferred savings plan for future financial planning. The City will provide a 0.5% per pay period employer contribution for any executive whose management group elects to participate in the 401(a) plan. The employer contribution will be reflected in that executive's annual total compensation calculation. However, the City will not provide an employer contribution to the current 457 deferred compensation plan and the executive must make all 457 contributions.

SECTION 13. All resolutions and parts of resolutions in conflict herewith are hereby rescinded.
