Short/Long Term Projects: (N/A if none)

1. The Coyote Cacher reporting website was rolled out to residents in April 2017. Since then, there have been (47) reported coyote sightings or activity. Most reported activity involved coyote sightings only. The following is a breakdown of reported coyote sightings or activity by month. Note – Increasing data may be based on greater Coyote Cacher website use within the community and not necessarily on increased coyote activity: April: 5; May: 6; June: 7; July: 12; August (to date): 17. The City of Costa Mesa Coyote Management Plan can be found on the City's website.
